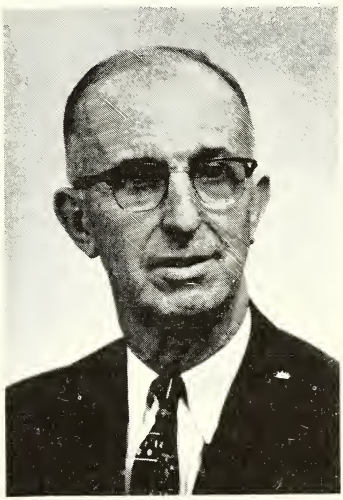
DEDICATION

By action of the Annual Meeting, the 1981 Minutes of the Kings Mountain Baptist Association are dedicated to the memory of Reverend C. C. Crow, who served as a pastor in the Cleveland County area for thirty-five years.

Reverend Crow was married to the former Edith Queen and they had two children, Mrs. Macy Brooks and Dr. John B. Crow.

IN MEMORIAM



Brother C. C. Crow was a brother loved by all who knew him. Many of us have been greatly blessed through his personality and influence. Clifford did not have it easy during the early years of his preparation and ministry. However, when he felt the call to preach, his compelling desire to seek the best preparastion led him to Wake Forest College where he completed the full-course of study for a Bachelor of Arts degree. At the same time, he was providing for his family and serving churches wherever the opportunity presented itself.

Brother Crow was a dedicated Christian and a devoted minister. He enjoyed humor as much as any person. He believed that sunshine and happiness could be brought to people's lives through this medium, if properly used. However, this did not diminish his dedication to the spiritual or the high and holy. Many of us will remember the noble prayers he uttered to his Lord, both publically and privately. He prayed as though he was acquainted with the Person to whom he was speaking.

Brother Crow was a man with a great common touch and appeal. People, upon meeting him, seemed to feel that they had know this man somewhere and expressed the feeling that his acquaintance was already made. I considered Clifford to be as near the perfect Christian gentleman as could be found. He had a balance and a poise that kept him in control of his faculties in the midst of trials and tests. He was a most successful pastor and preacher. He served well wherever he went. His personality and influence will continue to live even though he is gone from us for a while. Let us hear the words of Revelation 14:13 for truely they apply to Brother Crow. "Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours, and their works do follow them." We ask not for whom the bell tolls, we know it tolls for us and we are the lesser.

Ernest M. Smith
Pastor Emeritus, Dover Church

BRIEF HISTORY OF
Bethel Baptist Church, Shelby, N. C.

Bethel Baptist Church began with the organization of a Sunday School on March 17, 1939 by Rev. Charles Clifton Matheney. Rev. Matheney conducted an open-air revival in the community September 1939. This and other factors contributed to the organization of the church.

On August 19, 1940 a lot was purchased from Mr. Solon Beam. The church was organized September 21, 1940 with 186 charter members. The Baptist Training Union was organized September 15, 1940. The first church budget was $30.00 a week. The church applied for membership in the Kings Mountain Baptist Association on October 25, 1940.

Rev. J.A. Brock became pastor in October 1942. During his pastorate, the old church auditorium was begun February 1943 and completed October 1943.

Rev. D.W. Digh became pastor in 1949. During his ministry an educational plant was erected in 1951 and the auditorium enlarged.

The church called Dr. Ernest W. Arnold as pastor in December 1957. Church enrollment stood at 1075 when he moved on the field March 1958.

Although Bethel maintained a number of busses throughout her history, the first full-time bus ministry was begun in 1973 by Rev. and Mrs. Ray Pruitt. Rev. Pruitt also began Children's Church Services.

Dr. Ezell moved on the church field June 1975. Dr. Ezell foresaw the construction of 26 new Sunday School rooms added to the gymnasium area. June 4, 1978 ground was broken for construction of a new church auditorium, more Sunday School classrooms, choir practice room, nurseries and offices, prayer rooms and conference room. Actual building began in July 1978 and completed in December 1979. In February 1979 a "Fund Raising Day" was held and $114,000 was pledged and collected.

Rev. Bill Setzer conducts the Children's Church Services and bus ministry. Mr. Donald Balltzglier is minister of youth and music with a choir membership of 76 voices.

Since our beloved church was founded there have been several goals the church has kept before it.

(1) To preach the Word without fear or favor to the masses as they are to a world that needs it.

(2) To win the lost to know Christ as Savior.

(3) To build a great fellowship.

"Therefore, my beloved brethern be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord."

ARTICLE II PURPOSE

Under the leadership of the Holy Spirit, this association of churches seeks to further the Kingdom through the following:

(1) the fostering of fellowship and cooperaton among the member churches;
(2) the ministering to the spiritual and physical needs of people;
(3) the giving and receiving of information, assistance and training for member churches;
(4) the cooperation with North Carolina Baptist State and Southern Baptist Conventions.

ARTICLE III MEMBERSHIP

Section 1: The Association shall be composed of cooperating Baptist churches in the area of the Association.

Section 2: Churches desiring membership in the Association shall apply to the Membership Committee. Application should include:

1. Formal action by the group seeking admission reflecting that 75% of those voting expresses their intent to cooperate.
2. A written statement reflecting their beliefs and practices.
3. A written statement that expresses their intent to cooperate.
4. A willingness to meet with Membership Committee to discuss other items of mutual interest to both parties.

The Membership Committee should be sensitive to groups seeking its services and be willing to present a statement of Baptist belief and practice and what it means to cooperate with the churches in the Association in a world-wide mission program. If recommended by this committee and accepted by the Association, a mission or a church shall agree to come under the watchcare of the Association for a minimum of one year. Membership within the Association shall be determined by vote of the Association at its annual meeting. Churches under the watchcare shall be entitled to all rights and privileges of the Association except their members shall not hold office nor vote.

Section 3: The Association shall be the sole judge of its membership and may receive churches, or reject churches, according to its constitution and by-laws. Member churches may also withdraw as they desire, and if requested, the Associational Executive Board may grant letters of recommendation to other like associations.

ARTICLE IV MEETINGS

Section 1: The Association shall meet annually on Tuesday and Wednesday after the third Sunday in October and continue until the business of the Association is disposed of.

Section 2: Special meetings may be called by the Moderator or Executive Board, provided two weeks notice is given to the member churches.

DIRECTOR OF MISSIONS - ANNUAL REPORT

This is the seventh time I have reported to the Kings Mountain Baptist Association. These years have been some of the most challenging and rewarding years in my ministry. I enjoy reporting to you.

The groundbreaking for our new office facility was accomplished by putting the chairman of the Building Committee, Richard Plyler, at a plow with a long rope attached to it. All of those who gathered for the groundbreaking service then put their hands on the rope and pulled as Mr. Plyler broke ground for our new building. I was at the head of that line as we all pulled. I could not feel the pressure of the plow due to the multitude of hands who were pulling the rope. While that may have been true at groundbreaking for the associational building, I want you to know that since that time, indeed, I have felt the pressure of the needs and the challenges of the Kings Mountain Baptist Association during this year 1980-81.

The staff of the association has worked together as a team throughout this year. We are fortunate indeed to have such able and willing workers.

Our association has required much of her leadership this past year. Rev. Richard Plyler, chairman of our General Building Committee, has given us very capable and challenging leadership. Joe Cabaniss, chairman of our Special Gifts Committee, has done an excellent piece of work in attracting $58,377.68 for our new facility. Rev. Paul Sorrells has pulled together the research and efforts of our Long Range Planning Committee. Chairman Sorrells has led in establishing the priorities of the association for the next five to ten years. The leaders of our organizations, Beth Hamrick, WMU Director; Willard Boyles, Brotherhood Director; Rev. Royce Ballew, Sunday School Director; and Rev. Broadus Heatherly, Church Training Director have each filled vital roles throughout the year.

The work of this association could not be done without the able assistance of the many volunteers who work with us. We became impressed with the large number of volunteers and the quality of their work. Because of this, we began keeping an accounting of the hours that they have given in the office since January, 1981. Since that time, there have been 525 volunteer hours given in the associational office. This does not account for the number of hours that are given in programs related to the association out in the community at prison, courts, and other places nor the 100 volunteer hours given the day of our move from downtown Shelby to our new office facility. Over 20 volunteers using 7 trucks came to help make us make the transition. Like an army they moved steadily back and forth and within five hours time had transported all of our belongings from Marion Street to 1175 Wyke Road. Now it took us longer than five hours to sort it out, separate it, and put it where it belonged but it was in-house and we could begin working on it as a staff.

I want to express for myself and for the associational staff our abiding gratitude to the people who have so lovingly helped us and often times on a very short notice to accomplish the program and meet the needs of the Kings Mountain Baptist Association.

This past year provided me an opportunity to preach in 47 of our churches across the association. It was my privilege to visit with 63 other congregations. I had the opportunity of being in the office or home of 14 of our ministers and to conduct 26 workshops or seminars throughout the year.

The highlight of my day is when I am invited to share in the life and ministry of the churches in the Kings Mountain Association. An expression of this was the 400 personal conferences throughout the year. 529 telephone conferences gave me an added contact with the leadership of the churches. I wrote 643 personal letters in support of the ministry of the Kings Mountain Baptist Association. During the year, I conducted 2 revivals and trained 9 Pulpit-Selection Committees. I participated in 32 associational meetings and was involved in 20 Baptist State

Convention meetings throughout the year. I made 27 hospital calls to pastors and/or members of their families throughout the year. I attended 9 pastors conferences and shared in 27 professional and personal growth groups for ministers. I produced one article for publication and participated in 13 associational activities for the year.

This report clearly indicates that we have a reason to rejoice. This is the first year that our associational receipts have exceeded $100,000 and the receipts of the churches have gone beyond the $6,000,000 mark.

During the year, I have served on the Program Planning Committee for the 1981 Joint Baptist Convention between North Carolina Baptists and the General Baptists of North Carolina. A very exciting opportunity came when I was asked to serve on the Commission on Ministry. I served as sub-chairman of one of these committees and the commissions' report will be considered at the 1981 Baptist State Convention. There are many of us who believe that this is going to prove to be a monumental step in the life of North Carolina Baptists as we seek to develop better pastor/church relations. Currently, I am serving as a trustee of the Meredith Baptist College. This year will be my last term as President of the Conference of Directors of Misisons for the Southern Baptist Convention. I will conclude my office as president at the convention in New Orleans and then serve four years on the Advisory Committee for the conference.

Our Marriage Enrichment Retreat at Ridgecrest was an exciting adventure. Mrs. Borders and I were extremely pleased to provide leadership for 18 couples who participated in this growth opportunity.

We are making every effort to stimulate growth in the churches of the Kings Mountain Association. One of the ways that we tried to accomplish this was to determine the number of people who did not have an on-going relationship with a church in our county. In order to isolate this unknown factor, we contracted every church in the county that we could find listed and discovered that out of the 235 churches our county that total resident membership was 42,000. When we considered the total population of the county it was clearly evident that there was 40,000 people residing in our county who do not have an on-going relationship with any church in the locality.

Following this we did a study of the population development of Cleveland County from the 1980 census compared to the growth rate of our churches. The census revealed a 19.37% increase in Cleveland County over the past ten years while the churches of the Kings Mountain Baptist Association revealed a 14.42% increase.

Our breakfast for the personnel of the midway of the Cleveland County Fair continues to be a very exciting mission opportunity. This year we served 104 persons and with the seconds and thirds, we served 225 plates. Rev. Royce Ballew, from the Waco Baptist Church, presented the plan of salvation in a very attractive manner. How exciting it was and how keenly we felt the presence of God as we took the gospel to the market place.

Currently, we have 26 students, enrolled in classes from Southeastern Baptist Theological Seminary, meeting in our facility each Monday. These men come from Charlotte, Statesville, Asheville, and Greenville, S.C. How grateful I am that you have made a place here in our association where these ministers can meet and continue to improve their abilities to be more productive servants for the Lord Jesus Christ.

Evaluation continues to be very important to the ministry of the Kings Mountain Baptist Association. Each quarter when the Missions Committee meets, the first item on the agenda is to evaluate the leadership role of your Director of Missions. This is healthy and helpful. We have a great association, but it will continue to be great only as we look at it realistically, evaluate the use of our energies, seek to discover our strengths, compliment each others weaknesses and be committed to Jesus Christ and to reaching people.

To review the year stirs a deep excitement within me as to the opportunities that are ours here in our own setting. Help us to be more conscious of the mission opportunities around us and join with us that together we might accomplish this task for the good of people and for the glory of Jesus Christ.

CHRISTIAN SOCIAL MINISTRIES
1980-1981 Annual Report
Kings Mountain Baptist Association

I am pleased to report to you the events which have made this another meaningful year of ministry among the churches of the Kings Mountain Baptist Association.

Our Juvenile Court Ministry continued with the Minister's Day in Court Program. Five ministers served on a rotating basis by attending court on Tuesdays, being support persons for the court personnel and being available to minister to families as occasion permitted.

In October-November the First Baptist Church of Shelby sponsored ceramic classes for five youth. This allowed the youth a very creative experience and they made gifts to give to their families for the Christmas season.

During the fall of '80 the Sammy Hall Ministries came to Shelby with a religious rock concert. One hundred and forty-two youth made decisions during this time. We received the names of these and distributed the information to appropriate pastors.

Our Juvenile Court fund provided Christmas gifts for the youth who were in Stonewall Jackson Training School.

In April of 1981, eighteen persons attended a picnic at Kings Mountain State Park. Eleven churches assisted with this project. On June 19, 1981, fourteen youth went on a field trip to the North Carolina Zoological Gardens. Two churches assisted in this. The highlight of the year was the retreat at Carolina Beach. Sixteen attended this. We left on Monday and returned on Friday.

We assisted with two trips to the Western Carolina Correctional Center where the juvenile court youth participated in the "final step" program. This program involves a tour of the prison facility and a presentation by a panel of inmates and follow-up discussion.

In addition to this, I continue to serve on the Admissions Committee of the Lutheran Group Home, and attended six committee meetings.

Plans have been completed for a camp in October of '81 and we are finalizing plans for a social in November. We hope to include Juvenile Court in our Associational Youth Camp, June 28-July 2 of 1982, as well as continue the trip to Carolina Beach for those who have done unusually well in their probation period.

Our Prison Ministry continues to focus on weekly Bible Study, Yokefellow, and individual counseling. Rev. Wade Dellinger has worked with our Bible Study Group that meets on Wednesday afternoon. The Yokefellow Ministry has met every other Tuesday, using volunteers from our churches and from Gardner-Webb College. Attendance has been extremely good, with a high of ninety-two. Eight inmates have made professions of faith and are struggling with their own personal growth. We have averaged sixty-five in attendance at these meetings. Response from church groups has been excellent. We have had "home-baked" goodies at each meeting. It is marvelous the witness of a cookie - it says, "someone out there cares about me".

At Christmas time, forty-eight churches/individuals responded to our gift pack project. We were able to provide gift packets for the 160 inmates who are at the local prison camp. We also assisted in the annual Christmas party at the prison and conducted a special communion service on December 23rd.

We continue to serve in a support roll with the Child Abuse Prevention Service of Cleveland County. They have office space in our new facility and use the building for the meetings. We enlisted the Elizabeth Baptist Church to sponsor

a Christmas party for the CAPS personnel and CAPS families in December 1980. Eighty people attended. Each child was given a gift and each family was given a large bag of fresh fruit. The Cleveland County Mental Health Association assisted with a gift of money.

In November, the Oak Grove Baptist Church co-sponsored an appreciation dinner for the foster parents of Cleveland County. Sixty-five people attended. Awards of special recognition were presented to Mrs. Sarah Hogue for serving as a foster parent for twenty-seven years, and to Mr. and Mrs. Fred Burgess for serving as foster parents to 130 children in twenty-one years of service.

We have had two meetings with representatives from our churches to investigate the possibilities of starting Single Adult Ministries on the associational level. We are still investigating this as a possibility.

We have had only limited participation in our literacy ministry. Some of our workers continue to be busy tutoring individuals, but this ministry has not reached the maximum of its potential. Literacy needs continue to be very real in Cleveland County.

We had two meetings of our Migrant Council. A pamphlet, Directory of Service Agencies, was prepared and distributed through the services agencies. Churches prepared 300 copies of the "Use Me Book" and four church groups prepared Health Care Kits.

In response to needs for ministry to senior adults, the Senior Adult Ministry Council was formed. This is made up of the leadership of our twenty senior adult groups within our churches. "S.A.M." the Senior Adult Ministries newsletter is sent each month to over 600 senior adults. We have begun to have quarterly fellowship rallies. Our first was held in May at the First Baptist Church of Kings Mountain. 115 were in attendance representing nineteen churches. Our second meeting was held at Pleasant Ridge, with sixty-two present, representing ten churches. Our next rally will be on November 14 at 2:30 P.M., with the program being presented by Mr. Jim Saul of the North Carolina Baptist Homes. Elizabeth Baptist Church will host this meeting. We encouraged each church to observe Senior Adult Emphasis Day in May. The county-wide Health Fair for older americans was held in April. We had a special display booth emphasizing spiritual, mental, and physical health. This year we are working with the Council on Aging to plan four mini-health fairs in four areas of our county.

One of our newest ministries is that which deals with the mentally retarded. We worked with First Baptist in Shelby in co-sponsoring tickets for Northside School to attend a special showing of the movie, Joni. We discovered a segment of our community in which no ministry was being done for the severely retarded adult. First Baptist in Shelby responded to this need and has begun a day care program for the severely retarded adult. The enrollment has reached seven, with a potential of eleven. The program meets Monday - Thursday from 9:00 - 12:00 noon. This is under the direction of Suzie Anthony, Day Care Director for the First Baptist Church in Shelby. Volunteers were used to begin this ministry. Recently First Baptist voted to employ a teacher and an aid to work with the program.

We were involved in the planning stages of the Shelby Christian Rehabilitation Center, a much needed ministry in Cleveland County. This has become a reality and the service capacity for housing of those recovering from alcoholism is ten. Mr. Jim Rubindall serves as president of the Board of Directors. This is an interdenominational effort with the Christian approach to the cure of alcoholism.

We served as a resource for the Westview Baptist Church in their summer mission project to West Virginia. Several couples went to West Virignia in July to assist a small church with construction and community survey. Excitement ran high throughout the whole church as they helped to sponsor those who went. Plans are in the making for another mission trip in the summer of 1982.

Emergency and Relief Ministry continues to be a growing need in our county. This year we received food, clothing, money, and furniture from 453 church groups/individuals. We received application for assistance from 929 families and were able to provide assistance for 782 of these.

Since we entered our new facility on Wyke Road, we have begun our furniture ministry. The sixteen fire departments throughout Cleveland County have begun to collect furniture and store it in our basement. Several families have been helped since this ministry began. We have completed the paper work for becoming a participating agency for the Food Bank of Charlotte. Under this plan, food can be purchased from the food bank for ten cents a pound.

We have recently assisted the Highland Baptist Church of Shelby in opening a food and clothing room so that they can minister to the needy in Shelby. This service is being offered to each church who has an interest in beginning such a ministry.

At the present time, we are working on an interdenominational level to better co-ordinate the programs of Emergency and Relief so that duplication can be avoided and we can better minister to those in need.

An appeal was made last year for the churches to enlist a C.S.M. Representative. Response to this was good. We had a total of forty-four representatives representing thirty-nine churches. We continue to ask your support in enlisting a C.S.M. Representative from your church. We will have four training workshops this year for our C.S.M. Representatives. The first one will be November 22 at 2:30 P.M. at the associational office and will deal with the Biblical basis of ministry and Emergency and Relief Ministries.

1982 has been designated as the year to strengthen the family on the Southern Baptist Cnvention level of the Home Mission Board. Much of our C.S.M. programing on the associational level will be directed toward strengthening the family in Cleveland County.

Let me take this opportunity to thank you for your continued good work in involvement in local ministry and for the joy that is mine in serving with you in the Kings Mountain Baptist Association. May we prayerfully continue to find more effective ways to serve Him who loves us all in very special ways.

Bob Davis
Christian Social Ministries Director

EXECUTIVE BOARD REPORT
1980 - 1981

The regular meetings of the Executive Board were held during the past church year. Our meetings were held on Monday evenings after the third Sunday, the months of January, April and July of 1981. Our church host for the meetings were: January-Oak Grove, April-Northside, July-Mount Sinai.

1. Approved the Church Training Enabler Conference to be conducted in our association for the first time.
2. Approved the continuation of the Special Fair Breakfast to be held on the Fair grounds. This is sponsored by our Baptist men.
3. Approved various progress reports of our General Building Committee as the new building neared completion. Approved borrowing funds not to exceed $150,000. Also approved occupancy of the new building as of June 28, 1981.

Joseph E. Cabaniss, Clerk-Treasurer

SUNDAY SCHOOL REPORT
1980 - 1981

Church letters reveal that attendance in Sunday Schools of the Kings Mountain Baptist Association only declined ½% during the past church year. In enrollment, we dropped about 2%.

Members of the Associational Sunday School Improvement Support Team (ASSIST) attended three different state and Southern Baptist Convention Sunday School training schools this past year. Your Sunday School Director also participated in a state Sunday School planning session. The ASSIST team led two association-wide training schools and led individual conferences in several churches.

The scope of the ASSIST team has been enlarged with the addition of a Cradle Roll leader, Kay Martin.

In this present year, the KMBA Sunday School department will focus on the "8.5 by '85" Sunday School enlargement campaign. Sunday Schools in our association are urged to engage in a "People Search" so that we may locate the 40-50,000 unchurched people in Cleveland County and take the Good News of Jesus Christ to them.

Respectfully submitted,
Royce Ballew, Sunday School Director

CHURCH TRAINING REPORT
1980 - 1981

Church Training is an integral part of the Bold Mission Thrust of the Association. It is called upon to train the present and future teachers and leaders of our churches. This Church Training Program is a vital part of the total church program.

The Church Training Program has assumed the responsibility for four areas of study. They are Christian Doctrine, Christian Ethics, Church History and Church Policy and Organization. While each church will want to use the Church Training Program to meet its own needs we urge that these basics not be neglected. These areas are necessary if we are to have trained teachers and leaders.

We are pleased to announce that this has been a good year for the Associational Church Training Department. Some of the things we have accomplished are:

First: We had four churches represented in the Associational Bible Drills for Children II and Youth. Two of the four went on to the regional and one youth went to the State.

Second: We were host for two banquets at Gardner Webb College for International Students and M.K.'s during the Associational year. These banquets have been a means of providing the local church an opportunity to be a friend to students from around the world. We believe this is a unique mission experience.

Third: We have worked with local churches in providing training and organizational help with their local Church Training Program.

The Church Training Program will be prepared to provide a program to help churches with new member orientation following the 1982 Crusade in our Association. We are prepared to help. Call us.

Broadus Heatherly

WOMAN'S MISSIONARY UNION

The year 1980 was the second of a three-year WMU emphasis on Life-Changing Commitments. The aim of this emphasis is to lead church members to make life-changing commitments for the support of missions. The emphasis undergirds Bold Mission Thrust.

The Leadership Conference for 1980-81 WMU officers and leaders was held in September at Elizabeth Church. All age-level manuals were taught at this conference. In January, additional training was offered at a workshop held at Second Baptist Church, Shelby. There were conferences in these areas: Mission Action, Mission Support, Enlistment-Enlargement, Daycamping for R.A.'s and G.A.'s, Mission projects for Mission Friends.

During the year, each age-level organization promoted associational-wide activities. On November 3, Baptist Women World Day of Prayer was observed. Baptist Women also held a Prayer Retreat in May and sponsored a picnic for WMU families and pastor's families in September. Baptist Young Women met quarterly. In June the Acteens had a fellowship supper. Bob Davis, the speaker, presented ways for Acteens to be involved in Mission Action. A camp for G.A.'s, grades 4-6, was held at Gardner-Webb, June 22-26. Martha Madden was camp director; Linda Ellis, assistant director. Younger G.A.'s attended day camp.

In March, forty-five WMU members travelled by chartered bus to Charlotte to attend the State WMU Convention.

Flint Hill Church hosted the annual associational WMU meeting, which was held on April 21. Mrs. C.H. Starnes, missionary on furlough from Korea, was the speaker.

During the year, the WMU council has met regularly to plan associational work. Council members have attended training conferences at Ridgecrest. The council has continued to communicate with the churches through a WMU newsletter. This year approximately 500 WMU officers, leaders and pastors received the newsletter quarterly.

Our associational WMU is involved in the national enlargement plan. The goal for this plan is to have a WMU organization in every church by September, 1983.

In 1980-81, our associational WMU was again recognized as a Distinguished WMU. This highest level of achievement was attained through the continued support and cooperation of many persons in our association.

Respectfully submitted,
Beth Hamrick
WMU Director

ASSOCIATIONAL MUSIC REPORT

Seventy-one churches from our associational family reported an active music program for the year ending September 30, 1980. That's an outstanding percentage but not quite 100 percent. Our aim and purpose is to encourage participation, to give information, and service. The reports filed with your church letter serve as one of the aids helpful in providing needs and goals. We encourage every church to help us assist you by filling in the music portion of your report.

Several opportunities for growth and participation were provided during the year.Two handbell workshops were given - one last February 6 at the Boiling Springs Baptist Church and the second, for directors only, was held August 11 at the Aldersgate Methodist Church with 27 participants. Eighteen of our churches joined in a Choral Celebration on August 18 and 19 at the Poplar Springs Baptist Church. One hundred and three adult singers enrolled for the two-day workshop.

Our state level festivals offer additional resources for growth and encouragement. Churches participating in such learning experiences this past year were: Elizabeth, Boiling Springs, First Shelby, First Kings Mountain, and Poplar Springs. Others are encouraged to take this step next year. For information, contact the associational music director.

The Volunteer Music Director's Retreat continues to grow in popularity. Excellent training is offered to the part-time musician. Churches are encouraged to send their volunteer director.

Sincerest thanks is expressed for the splendid cooperation you have given to your music and zone directors and to the projects we have shared. Zone Directors are: Phil Perrin, Clyde Buckner, Allen Jolley, Delores White, Marla Bralley, Doris Funk, and Steve Coldiron.

Respectfully submitted,
Bob Dills

MEMORIALS

It is with mixed emotion that we bring this memorial report because our loss is heavens gain and our sorrow is their joy.

First of all, I would like to call to our remembrance a very special person to all of us and especially to me personally, That person was the Rev. C.C. Crow who gave me the charge when I was ordained. He emphasized six things: He said, "Fred, preach the Word, the whole Word and nothing but the Word, in season and out of season, so help you God." Brother Crow was the only preacher we lost this past year.

We also call to remembrance the 23 deacons and the 241 faithful ones who have gone on to their reward since our last annual associational meeting.

We remember them as irreplaceable persons in all their personal relationships, in the home, in the church, in the community and as citizens of this great county, state and nation.

We remember them with a sense of sorrow, for as human beings we naturally mourn, miss and weep over the loss of our loved ones.

As a human here on earth, Jesus wept with His friends Martha and Mary at the death of their brother.

We rejoice that each of our loved ones made the necessary preparation to be able to enter into that "house not made with hands in the heavens".

We also rejoice in the hope that we shall be re-united with them when our call comes to join with them in singing and praising God around His throne forever and forever.

So with our precious memories and our blessed hope, may we stand together for a few moments of solemn, silent tribute to them and thanksgiving to God that we were privileged to have known and loved them for a while here on earth.

Prayer:

"Our most kind and loving heavenly Father, we call to remembrance the lives and works of those of our members who toiled so faithfully in your vineyard while here on earth and have ceased from their labor with us. We want to praise

your Holy name for making it possible for them and us to become a child of God through your Son, Jesus Christ, to live and reign with Him throughout the ceaseless ages of eternity. In Jesus precious name we make our prayer." Amen.

Respectfully submitted,
Rev. J. Fred Cartee

LIBRARY ANNUAL REPORT

47 churches report libraries. That's good. But of course our goal is a library in each one of our churches. Your church library - media center is a tool to enable leaders to better do their work. Books are expensive. Some individuals cannot afford many. Asking a S.S. teacher to teach without furnishing him commentaries or Bible Dictionaries is like making brick without straw.

Making good books available and promoting them will influence your members of all ages to look at less T.V. Reading good books builds character.

We had one library meeting March 12 at Mt. Sinai Church taught by Mrs. Joy Sandifer, Assistant Librarian at Gardner-Webb College. I hope to have another such meeting in January or February, preferrably at the Baptist Center.

I attended the Key Leadership conference at Ridgecrest in May. One thing that was said in my conference was you should begin reading to a child when he or she is 6 weeks old.

The reason you didn't see the 1400 volumn library at the Baptist Center when you came to Open House Sunday was the shalac on the shelves wasn't dry in time to put the books on them. But I'm happy to say that all of them have been properly classified and completely catalogued. Mrs. Kelly bought a new electric typewriter to do the job. They are available for any member of the association to check out.

If I can be of any help to any church's library during the year, call on me. I'll gladly serve.

Respectfully submitted,
Bonnie R. Price

CHRISTIAN LIFE COMMITTEE REPORT

The members of the Christian Life Committee for 1980-81 were: Dr. Forrest Feezor, Mrs. Mary Lou Causby, Mrs. Sherri Cox, Mr. John Ed Davis, Jr., Rev. W. V. Tarlton, and Rev. Sam Murphy.

The Christian Life Committee met on two occasions during the year. The agenda for these two meetings focused upon possible action that this association might support and/or initiate that would lead the citizens of Cleveland County to a fuller awareness of Biblical truths and to a deeper sense of Christian commitment. The ideas have yet to be realized; however, the ideas are still active agenda for the committee. It is my hope and urging that some of the ideas will be realized during this year as well as new directions in which the committee will lead.

Respectfully submitted,
Samuel H. Murphy, Chairman

REPORT OF THE MEMBERSHIP COMMITTEE

The members of the Membership Committee would like to express their appreciation for the opportunity they have had this year to serve you, the people and churches of the association, by providing support and encouragement to churches seeking membership in our great association. We have sought to be encouraging, supportive, and have stood ready with advice for churches and missions in their formative stage, seeking to gain their feet and minister in the name of the Lord Jesus Christ.

We of the committee have met twice this year, once with members of the leadership of Pathway Mission and once with Second Baptist Church of Grover. Our Director of Missions has been available to meet with us on one of these occasions.

Pathway Mission, located south of Kings Mountain, has continued this year under the watchcare of our association. We have continued to see this mission grow in service to the Lord under the able leadership of Rev. James Hamrick. They are presently running two vans to reach out to their community and bring people to the services. Their membership has grown to thirty-five with forty-seven enrolled in Sunday School. Last Sundy, October 18, they enjoyed their High Attendance Sunday and had fifty in Sunday School and fifty-seven in worship service. A new G.A. chapter is being organized to give the girls the mission information and challenge which the fifteen boys are receiving in their already-functioning R.A. chapter. Pathway Mission this year has bought property for their future. They purchased one and one-half acres bordering their present meeting site with the possibility of buying more as it is needed.

We look forward to a continued close relationship with Pathway Mission as they remain in watchcare to the Kings Mountain Baptist Association.

Our second privilege of the year has been working with the pastor and membership of the newly-formed Second Baptist Church of Grover. On June 26, 1981 our committee received a letter from Rev. Ken Lynch, pastor of Second Baptist of Grover, applying for membership in our association. The letter stated that the church had a "burden to reach the lost for Christ and to regain the backsliders". To accomplish this, the church promised:

"to be a cooperating member of the association,
to be a lighthouse for all those who we may come in contact with,
to be dedicated Christian disciples for the glory of God,
to be interested in the young and the old alike,
to be faithful followers of Christ."

Subsequent to the receipt of this letter, our committee met with Rev. Lynch and some of the lay leadership of the church. We were impressed by their spirit and their commitment. This church has also been in contact with the Missions Committee of the association and has expressed a willingness to relocate in the Winter Park area of the county where there is presently no Baptist witness.

Therefore, it is the recommendation of the Membership Committee of the Kings Mountain Baptist Association that the church presently known as Second Baptist Church of Grover be taken under the watchcare of our association at this fall meeting and that the churches and people of our association support and encourage them as they continue to minister.

REPORT OF THE BUILDING COMMITTEE
Kings Mountain Baptist Association - October 20, 1981

This past Sunday, October 18, 1981, was another historical day in the 131 years of the Kings Mountain Baptist Association. On this day, our new associational building, located at 1175 Wyke Road, Shelby, was formally opened and dedication ceremonies were held. The building was presented to the association on behalf of your Building Committee to our present moderator who in turn presented the keys to the building to our associational Director of Missions, Cline W. Borders. During the two hours of Open House, in spite of the glorious rain, between 700 and 800 persons came to see "their" building. Our association, of course, is more than a building. From this "center" our 72 churches, and the Christians who comprise these churches, are able to better accomplish Baptist interdependence and to accomplish the work of the association as stated in Article II of our associations Constitution: "Under the leadership of the Holy Spirit, this association of churches seeks to further the Kingdom through the following: (1) the fostering of fellowship and cooperation among the member churches; (2) the ministering to the spiritual and physical needs of people; (3) the giving and receiving of information, assistance, and training for member churches; (4) the cooperation with North Carolina Baptist State and Southern Baptist Conventions."

To all who have helped make this facility a reality, we are deeply grateful. To those pastors, churches, individuals, families and others who have given us their encouragement, financial support and prayers, our committee expresses deep appreciation. A special work of commendaton is offered to Mr. Joe Cabaniss, chairman of our Special Gifts Committee, and his committee for the excellent work they have accomplished.

The assignment committed to me almost five years ago as chairman of the Building Committee was made easier by those who served with me during the preceeding years: Mr. Joe Cabaniss, vice-chairman of our committee and Mrs. Doris Borders, our committee secretary. A grateful word of appreciation is expressed to all committee members: Dr. James Petty, Mrs. Beth Williams, Miss Charlene Stamey, Mr. Tom Tate, Mr. Carl Pearson, Mr. Ralph Spangler, Mr. Carlos Young, Mr. Xi Bradley, Mr. Ken Hartman, Mr. W.E. Falls, Mr. Hugh Dillingham, Mrs. Ruby Alexander, Mrs. Mary Lou Causby, Reverend Ned Buckner, Mr. Oren Wyatt, Mr. Paul Lancaster, Mr. Gene Wray, Mrs. Janice Watts, Mr. Willard Boyles and Mr. Fred Jones. The many, many hours of time and energy given by these individuals will never be fully known. The facility itself attests to the competency of these people. A word of sincere appreciaiton is expressed to those who have served on our Executive Committee and our Executive Board during the days of planning, construction and occupancy of this facility. Your Building Committee is grateful for the encouragement and support received. Our associational moderators and other officers need special recognition for their support: Mr. Carlos Young who was moderator when the property site was selected; Mr. Bill McDaniel who was moderator when the committee began work; Rev. Dan Jolly who was moderator during the time of intense planning and discussions; Rev. Marion Adams, moderator during the time of construction and completion, and Rev. Clyde Bearden, vice-moderator.

Grateful appreciation is expressed to Rev. Cline Borders, our Director of Missions, for his help, support and encouragement; to the late Mrs. Mae Petty for all her help; to Mr. Bob Davis, our Director of Christian Social Ministries for his help and encouragement and to Mrs. Margaret Lipscomb, our present office manager and Mrs. Judy Franks, our financial secretary for all their assistance.

To the Patterson Grove Baptist Church Family I owe a sincere debt of gratitude for their support and patience during this time and especially to my wife, Mary Elizabeth, for her love, support and patience.

And last, but in no wise least, to our Lord and Savior, Jesus Christ, who seeks to bind our hearts together in love that with the aid of His Spirit, we, as fellow-Christians in Cleveland County, may seek to do His will and make the truth of His Kingdom a reality, now and forever.

Gratefully submitted,
Richard E. Plyler, Chairman
General Building Committee

YOUTH FOR CHRIST COMMITTEE REPORT

The Kings Mountain Baptist Association Youth Committee is available to assist your church in any way we can. This past year, we offered our first Associational Youth Retreat. About 75 youth and chaperones attended Ridgecrest for an overnight retreat. The theme of the retreat was "Time Alone With God". We discussed how to have a daily time of Bible study; how to pray; how to learn scripture; and how to share our faith. All who attended said we should make it an annual affair. So, this year the Associational Youth Retreat is February 5-6, 1982 at Ridgecrest. Details will be sent to each church shortly. Also, we are trying to put together an Associational Youth Camp.

Respectfully submitted,
Rev. Glenn Davenport, Director
Youth for Christ

EVANGELISM REPORT

This has been a year of planning and promotion for the 1982 Joint Evangelistic Crusade. As you know, this is a state-wide effort between the North Carolina State Baptist Convention and the North Carolina State General Baptist Convention. The primary goal of the crusade is to reach every person in North Carolina with the gospel. As you can see, this is a major project and requires many hours of work.

Our association began the process that will climax in April and May of 1982 with an interpreters meeting held in February of 1981. Since that time, other meetings have taken place as we move toward the crusade.

In conjunction with this, 22 pastors and laymen from the Kings Mountain Association have recieved Lay Evangelism Training in order to equip others as witnesses. Many churches have already announced plans to participate in the crusade in April of 1982.

Respectfully submitted,
Alton Martin, Chairman

ASSOCIATIONAL HISTORY COMMITTEE
W. Wyan Washburn, M.D., chairman

The following **Priority Statements** were presented by the Long Range Planning Committee and adopted at the Kings Mountain Baptist Association annual meeting.

EVANGELISM...The first Long Range Planning Committee of the Kings Mountain Baptist Association listed evangelism as a priority. Records revealed to them a decline in baptisms and attendance. Two efforts were put forth to correct the decline; a Simultaneous Crusade and the James Robinson Crusade. Both were a help; however, baptisms continue to decline - from 807 in 1972, to 485 in 1979.

Therefore, the Long Range Planning Committee wishes to recommend that the association diligently search for ways to encourage the churches to place new emphasis on winning the lost.

LEADERSHIP TRAINING...One of the most frequently mentioned items from a questionnaire sent to pastors was praise for training opportunities provided by the association. Such events should be continued. These events include Vacation Bible School clinics, committee training, lay leadership training, lay evangelism training, and seminars and workshops designed primarily for pastors. The association should continue to provide leadership training and ever be alert to ways of improving its services.

CHRISTIAN SOCIAL MINISTRIES...Since the last Long Range Planning Committee report, a full-time Christian Social Ministries Director has been employed. Mr. Davis has instituted social programs which have benefited the churches and reached many neglected persons. Area social agencies indicate this effort has been a wise investment of association money. Work has also begun with Singles and Senior Adults from the churches. Work with the prison system, the court system, juvenile offenders, the clothes closet, the food bank, and other programs need to be continued.

UNITY AMONG THE CHURCHES...This priority deals with the attitude of churches toward each other. A careful study of the history of the association will reveal that there has always been a spirit of competition among the churches. Sometimes this competition has reached destructive levels. In many associations, there are small churches, middlesized churches, and large churches. Each church knows its niche and thus does not feel competitive with other churches. However, our association is made up of many churches of nearly equal size, and this fosters a spirit of competition. This phenomenon needs to be recognized and a spirit of competition developed that is complimentary, rather than destructive.

Areas where competition needs to be maintained include church 'territories,' program duplications, proselytizing of active church members, and duplication of ministries simply out of a spirit of competition. Our enemy is the Devil with his scourge of sin, not other churches. The association should constantly seek to build unity among the churches built upon the foundation that there is one Lord and one Body.

STARTING NEW CHURCHES...In the last five years, at least nine chures have been started in our associational area. Yet only two of these are a part of our association. The fact that new churches are being started says that people are interested. There are more people per church in Cleveland County now than there were in 1950. New congregations reach more people.

The association should aid in locating geographical areas where a church is needed, help conduct a census, locate a meeting place, and give counsel. It is hoped that a member church or churches would serve as sponsors, thereby allowing associational leadership to turn its attention to other needs.

COOPERATION AMONG THE CHURCHES...The association should serve as a channel for the churches to mutually benefit themselves, each other, and the Kingdom of God. Pastors praised the association for providing opportunities "to work together doing greater things than one church can do." They mentioned specifically paper cost savings and the tape cassette ministry. The idea of forming a co-op should be explored. Such a co-op might allow churches to save on purchases of fuel, custodial supplies, lawn and cemetery equipment, fertilizer, athletic equipment, and kitchen supplies.

The association is already serving as a resource center for clothing and food from the churches, for information about staff position needs and prospects, and for information about genuine needs of persons in church communities. Also, the association coordinates Gardner-Webb Ministerial Education Day.

The association should also maintain an information bank on the work of local social agencies. Such information is too technical, too temporal, and too expansive for each church to know in order to meet community needs.

We urge the association to continue its many efforts to foster cooperation among the churches.

Long Range Planning Committee

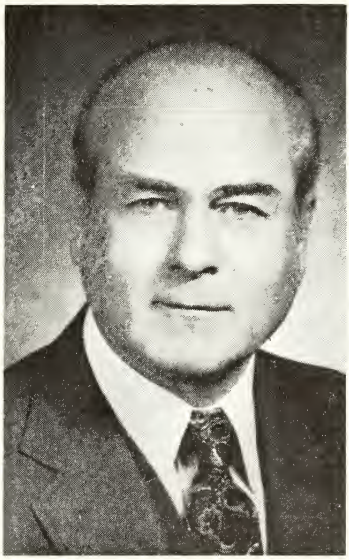
DEDICATION

By action of the 1982 Annual Session, the 1982 Minutes of the Kings Mountain Baptist Association are dedicated to the memory of the Reverend W. Clyde Bearden, who at the time of his death, was serving as pastor of First Baptist Church, Kings Mountain, North Carolina.



IN MEMORIAM

"The Nearness of God" was the sermon title for W. Clyde Bearden's last Sunday morning sermon. Early on the following day, Monday, March 15, 1982, after having given himself to a "full days" service at his church, First Baptist Church, Kings Mountain, N.C., W. Clyde Bearden experienced the ultimate in God's nearness as he passed from this life into life eternal.

William Clyde Bearden was born in Mountain Rest, (Oconee County), South Carolina on June 19, 1920. He committed his life to Christ early in life, and at the age of seventeen years acknowledged God's call for his life. He was ordained to the gospel ministry by the Rices Creek Baptist Church, Liberty, South Carolina in 1941. His first years of ministry (1940-42) were spent in evangelism. Clyde believed God's call to preach also included a call to prepare himself for ministry. He received his formal education at the North Greenville Junior College, Taylors, South Carolina; Gardner-Webb College, Boiling Springs, North Carolina; Lenoir Rhyne College, Hickory, North Carolina; and Southeastern Baptist Theological Seminary, Wake Forest, North Carolina. Throughout his ministry he never lost his hunger for study and knowledge.

Clyde is remembered as a "faithful friend".

Clyde was a faithful friend to the Biblical concept of the home. It was while in

evangelism he met Essie Jackson of Greensboro, North Carolina. On January 31, 1942, they were married. God blessed this union with one son, Harold Bearden, who now resides in Charlotte, North Carolina.

He was a faithful friend to the Lord's church. Although a native of South Carolina, his pastoral ministry of forty-one years was spent serving six churches in North Carolina. They were: Immanuel Baptist Church, Greensboro; Thrift Baptist Church, Charlotte; Mount Home Baptist Church, Morganton; Balfour Baptist Church, Asheboro; Greenland Avenue Baptist Church, Charlotte; and the First Baptist Church, Kings Mountain. In addition to being an able pastor-teacher, Clyde was also an effective preacher. Many churches were blessed by his ministry as the visiting evangelist during revivals.

Clyde was a faithful friend to his denomination. This was true on both the associational and state levels. With the exception of his last pastorate, Clyde was elected moderator of every association in which he served such as the Catawba, the Mecklenburg, and the Randolph Associations. At the time of his unexpected death, he was serving as vice-moderator of the Kings Mountain Baptist Association, and would have no doubt been chosen as moderator.

Other denominational service included: Trustee, Gardner-Webb College; Ministerial Board Advisor, Gardner-Webb College; president, vice-president, and secretary of North Carolina Baptist Pastors' Conference; and the following positions with the North Carolina Baptist State Convention: member of General Board; conference leader, Sunday School and Church Training Departments; and Evangelism Committee.

When Clyde embarked for Heaven the Fathers words "Blessed are the dead which die in the Lord" seemed to have special meaning to all who knew him. We rest confidently in the promise that the works of this "fallen prince" will continue to follow him for generations to come. To God be the Glory!

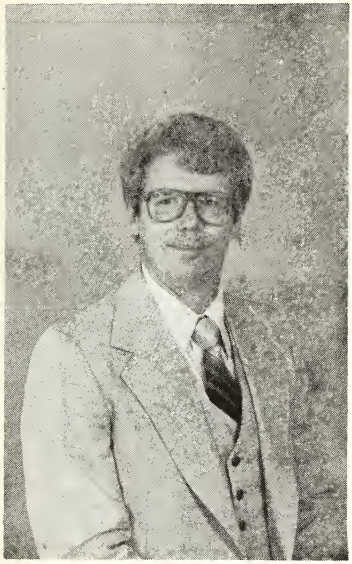
BRIEF HISTORY OF
New Hope Baptist Church, Earl, N.C.



New Hope Baptist Church was formally organized in August 1874.

Able Earl gave five acres of land for the church ground and J.W. Gibbons gave a rod to include a spring for water.

The first building was a one room frame structure about forty by fifty feet.

Rev. Thomas Dixon with Elders from Buffalo and Antioch Baptist Churches helped to organize and start the new church. The name "New Hope" was chosen because it expressed the feelings of the fifty new converts from a Brush Arbor Revival and others bringing their letters from nearby churches making a total of 161 Charter members.

New Hope joined the Kings Mountain Baptist Association in 1875 and has cooperated in the various ministries of that body since.

A Sabbath School was organized in 1881. In 1923 a B.Y.P.U. was started.

During the pastorate of Rev. John W. Suttle, from 1909-1916, a new church building was erected with a sanctuary seating 500. Ten years later eight new Sunday School rooms were added, along with an indoor baptistry.

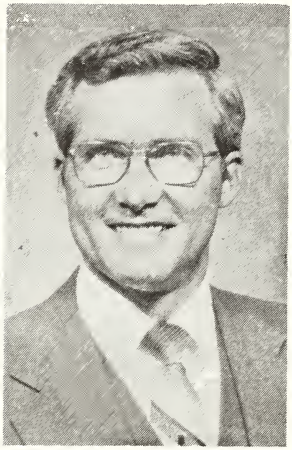
Through the years New Hope has ordained four of its young men for the ministry and one young woman as a missionary.

In 1950, New Hope voted to call a full-time pastor and erected a pastorium.

On August 1, 1954, New Hope moved into its third and present church building with C.A. Kirby, Jr. as pastor.

Twenty-six men have served as pastors during the past 108 years. Rev. M. David Gordon is the present pastor.

BRIEF HISTORY OF
Bethlehem Baptist Church
Kings Mountain, N.C.



In the year of our Lord, 1841, several Baptists living in the Bethlehem community, then known as White Plains, felt the need for a local place of worship. They built a meeting house and became an arm of the Antioch Baptist Church. On July 16, 1842, the growing congregation organized Bethlehem Baptist Church and twenty-six letters were presented for membership.

In 1845, a log church was built, not far from the present location, on one and a half acres of land that was given by Mr. James Alton.

In 1869, a frame church was built adjacent to the present location of the church. The land was given to the church by Dr. Thomas Williams of Shelby.

The frame church building was used until 1929, when, during the Great Depression, the present brick building was constructed, housing the sanctuary with side wings.

Bethlehem was originally a part of the Broad River Association. On May 13, 1854, the church left that association and joined the Kings Mountain Association.

In conference, March 2, 1952, the church voted to build the church parsonage.

In conference, April 4, 1954, the church voted to renovate the sanctuary and the basement area an to build an education annex, with three floors, to the then existing structure.

Throughout the life of the church, Bethlehem has been guided by the leadership of thirty-seven (37) pastors. The current pastor, Rev. Samuel H. Murphy, was called as pastor in November, 1978. In 1981, Mr. Neal Efird was called as Minister of Education and his wife, Carolyn, was called as Minister of Music.

Growth is evidenced in the church; the present resident membership is 438. And, just as important, the record of contributions of the church for this year (1982) indicate that about one-fourth (¼) of the total church receipts was given to missions - home and foreign.

To God Be The Glory, Great Things He Hath Done.

REPORT OF DIRECTOR OF MISSIONS

At a called session on September 28, 1973, the Kings Mountain Baptist Association extended a call to me to become their director of missions. I visited the annual meeting in October and my duties began on November 1, 1973. This marks the end of my ninth and the beginning of my tenth year as your director of missions.

I came to a recognized association. The Kings Mountain Baptist Association has had a long standing reputation across North Carolina. This has been true because of her many and strong churches. This has been true because of the leadership of pastors. This has been true because of the leadership that has chartered her path—Lewis Ludlum, T.W. Bray and C.O. Greene. My challenge was to maintain the image of the director of missions.

Change is with us. Persons, churches and agencies that do not make the needed and necessary adjustments will share the same fate as dinosaurs. My anxiety is not what the change will do to us — my anxiety is the consequences we face if we fail to change. Every generation must experience a new and personal awareness of God's grace as expressed through Jesus Christ. We have the great challenge to find a new way to make the old stay alive, vibrant and life-changing to each generation.

My message has two points: the need and the blessing.

The need we must face up to is a great deficit of people in Cleveland County who do not have an ongoing relationship to any church family. I was told upon becoming your director of Missions that we did not need any more new churches in Kings Mountain Baptist Association. My response was that I certainly wanted to take a look at that and any projected growth should be based on the facts. I am com-

pleting nine years. I should have some awareness of the religious setting in which we live. I agree that we do not need one new church, we need seventy-two new churches!

Let me share some facts with you: We called all churches in Cleveland County—black and white, every denomination—and asked for resident membership. The report revealed a total of 42,203. The 1980 census reveals that the total population of Cleveland County is 83,435. Therefore, there are 41,132 individuals, adult and children, living in our county that do not have an on-going relationship with a church family. Therefore, if we created seventy two more churches, with the same resident membership we now have (22,637), that would leave 18,495 people. We could have 144 churches with a resident membership of 45,274 and there would still be 18,495 prospects that needed to be reached. We could have churches as small as the smallest, as big as the largest, not taking any from your present resident membership, and have 18,495 prospects left over. I have tried to say this to you in striking figures so that you cannot forget there is a need to grow in Cleveland County.

The blessing—There is evidence that the hand of God has been among us. God has given us a vision of what could be. I say 'us' because I do not believe there is any individual among us who could have invisioned nine years ago where we would be today. I assure you that if someone had sat me down and told me that we would have one county-wide Baptist evangelistic crusade, another with other denominations—that we would have a Christian Social Ministries Director who has so established himself as a leader in the field that the Home Mission Board advocated to a state beginning Christian Social Ministries (Kansas, to be specific), that they send their new people by to spend the day with Bob to see how a program could and should be done — that the associational staff would be made up of three full-time and one part-time persons—that volunteer services would increase from zero to 2,150 hours per year, an average of over 40 hours per week—that associational budget money received would move from $26,032.53 to $127,299.61—that we would have an adequate and functional facility out of which to do the Lord's work—that Southeastern Seminary would be offering credit courses taught by faculty members from the seminary in our facility—that an affiliate of the Baptist Hospital will begin Clinical Pastoral Education classes in February-that we could and would attract some of the finest youth workers in our association to teach the Bible in trailer parks, apartment complexes and train our own youth in how to be involved in outreach for Jesus Christ—that 99% of the churches would invite the director of missions to assist the Pastor Search Committees in understanding their task and how to work with a prospective pastor—that there would be two pastors' growth groups, a pastors' wives group, and one for married and single ladies meeting weekly to stimulate growth in the context of Christian love — that we would have a library especially for ministers—that we would be providing Seminary Extension classes for thirty six black pastors who touch more than forty black churches in three counties—that North Carolina Missions would increase 78%, that Foreign Missions would increase 89%, that Home Missions offerings would increase 165%, Associational Missions would increase 351%, Cooperative Program offerings would increase 96- and that total mission giving would increase by 105%—that we would have an associational GA camp at Gardner-Webb for three years—that the prayer breakfast for the employees who bring the rides and midway to Cleveland County would attract 137 persons and not one of them would slip away when the worship service began—if you had sat me down and said this is what will be, I would have asked, "What are you expecting, a miracle?" If someone had sat you down, had pictures and reports to indicate what we would be doing today, I doubt that any one of you could have said, "Yes, I think all of this is pos-

sible." I certainly could not have done so.

What I have just related to you is what has been done! You see, it is the hand of God. God gave us a vision of what could be and that vision came through a wide variety of people. Many people contributed parts to the puzzle that has created the picture we see today.

God has given us a vision. Ezekiel said, "Without a vision, the people perish." God created the vision; God kept the vision alive. God has given us the leadership to do the job. Ministers and laypersons have shared or caught the vision and made the commitments necessary to do the work. I do not believe for one moment that our leadership would have paid the price to fulfill any one person's dream. They saw this as the Heavenly Father's dream and they made commitments to the Father to do His work. Chairpersons of our various committees, organizations and moderators saw the light and carried the torch. One of those, Clyde Bearden, no longer walks among us, but left his mark in many ways. Specifically, Clyde was chairperson of the search committee to secure our Christian Social Ministries Director.

God gave us the resources. If, nine years ago, someone had said to our treasurer, Joe Cabaniss, "Joe, we will need $1,016,204.19 to do what the Father has in mind over the next nine years", I wonder what Mr. Cabaniss' reaction would have been. I know what would have happened to me! I would have responded, "What are you expecting, a miracle?" But God gave the resources.

It was the work of God. It was the hand of God that led church to give 3% of their resources, and even more. God has worked through individuals also. People who had little or no experience in raising money caught the vision, shared the vision, and gifts of $5 to $10,000 came in and I believe that it was the work of God.

One afternoon, I was preparing to call on a new pastor. I had called and made an appointment and was just fixing to leave when my light came on and the secretary asked if I could take a call. I did, and discovered it was from a man I knew but hadn't seen in many years. He asked if he might come by to see me. I hesitated and he quickly stated, "If you are busy, I will make it later." I asked if he could come right on and he said, "I will be there in ten minutes." Five minutes later he walked in and said something like this: "I know you are a busy man and I will not take much of your time. I have $6,000 I would like to invest in the Lord's work. May I contribute through the association?" "Well, yes," I replied. He sat down, wrote a check for $6,000 and in less than ten minutes was gone. Now, I was sure one of our good Special Gifts Committee members had made a good contact, and at the next meeting I shared the information and asked, "Now, which one of you made that contact?" Nobody responded — nobody — and to this day I have not discovered anyone who approached this individual and asked him to give. I believe this is one contact the Father made.

God gave the resources. I believe that God was just as much at work through the churches' gifts of 3%, through the Special Gifts Committee members who worked hard for that $5 gift as He was at work in the man who walked into my office and gave $6,000. God works through His people — God gave us the resources.

The Father who has chartered our path for the last nine years will do it for whatever years we have together. He has blessed us beyond my and I am tempted to say our fondest imagination. Do we dare walk with Him in faith and commitment into the unchartered paths of the future? The record of the future will be our answer to that question.

CHRISTIAN SOCIAL MINISTRY — ANNUAL REPORT

The 1982-83 year has brought many needs to surface in Cleveland County. With these I have seen a growing concern and compassion on the part of God's people. This is as it should be, but we must not be content with what we have done. There is still much to be done, many to be reached, much love to be shared.

This is your report of what you have done this year.

1. **Juvenile Court Ministry:** We have continued our Ministers Day in Court program with five ministers sharing this responsibility. Our camping program involved one hundred forty-nine youth and forty-one volunteers in six camping experiences.
2. **Prison Ministry:** Our Yokefellow Ministry has met every other week throughout the year. Most of the volunteers have been students at Gardner-Webb, but we have had a few faithful from our churches. One great need in this area is for our folks to develop a burning desire to share God's love with the man in prison. Should this be, we will be able to share even more of God's love in our local prison camp. Yokefellow averaged fifty-seven in attendance. Volunteers averaged forty-one per quarter. Fifty-six church groups assisted with homebaked goodies. There were sixteen professions of faith. We held an eight-week new convert class that averaged eight in attendance. We have had weekly Bible study on Wednesday this year. Our attendance has averaged eleven.

   Christmas Gift Packets: This past Christmas we again prepared and presented a gift packet to each man in our local prison. Twenty-three church groups, one non-church senior citizens group and the Gideons provided gift items for the one hundred seventy-five men in prison in Shelby. Twenty-three youth from Westview, Shelby First, and Shelby Second met at the associational office and processed the packets. A special thanks to the youth of Shelby Second for collecting two hundred tubes of toothpaste for this project. A job well done, indeed!
3. **Senior Adult Ministry:** Four quarterly Rallies were held. They were at Elizabeth, fifty-five in attendance with eight churches represented; Zoar, one hundred fifty-two in attendance with nineteen churches represented; Patterson Springs, fifty-two in attendance with six churches represented; and Pleasant Ridge, twenty-eight in attendance with eight churches represented. We took three trips this year. Nineteen went on the "Day at the Convention" trip. Fifty went to the Southern Christmas Show and forty-eight went to the Southern Living Show.

   We also provided display of religious tracts and scriptures at the four mini-health fairs throughout our county. "S.A.M.", our senior adult ministry newsletter continues to go to over six hundred persons. This publication changed from monthly to quarterly this year.
4. **Visually Handicapped Ministry:** Two workshops were held this year. One on the associational level. This met at Westview. Twenty-seven people, representing thirteen churches, were present. The other workshop was held at Buffalo Baptist Church. Buffalo is engaged in one-to-one ministry with eight residents at the Shelby Convalescent Center. First Baptist, Shelby, began ceramic classes for visually handicapped in September. This will continue until November. Eight are enrolled in this class, assisted by twelve volunteers.
5. **Migrant Ministry:** Our migrant count this year was considerably lower than in the past due to the late spring freeze. However, we were able to work in cooperation with Upper Cleveland Ministry in a program of recreation, fellowship, and worship. This began June 20 at the Belwood Community Center. Paul

Gray, pastor of Norman's Grove and Archie Chapman, pastor of Carpenter's Grove were instrumental in this ministry. Our ministry was primarily to the Haitian, French speaking migrant and secondarily Spanish speaking.

6. Emergency and Relief Ministry: This has been an extremely busy ministry during this year. Our economy has worsened and many of our folk are having special kinds of hurt in this area.

   Applications received from 1,221 families
   Assistance provided for 983 families
   Goods received from 520 churches/individuals
   Volunteers involved in ministry: 849

   A special fund raising effort was held to help provide a room for Ricky LePage, a youth of the Lattimore community who was left paralized from the chest down in an auto accident in June of 1981. Response to this effort was terrific. Total raised was $7,142.45. Total cost of the room was $6,897.54. The balance has been used to purchase a bed for Ricky and to help with December utilities. A special thanks to Rev. Joe Edwards, pastor of the Lattimore Baptist Church, for supervising this project and administering the money.

   We coordinated the "cheese for the poor" projects (2) for the Cleveland County Department of Social Services. Forty-one volunteers assisted (included in the 849 above).

   Several volunteers have assisted in cutting quilt squares from used clothing. Thirty quilt tops have been prepared and are being processed into quilts at the present time.

Many more good things have been done this year. All of this would not have been possible had it not been for the 1,209 volunteers who provided their time, talents, but most important, their love to share themselves, and the Christ who loves us all.

We have, for the past three years, tried to enlist a C.S.M. representative from each church. This was to be a contact person for the sharing of ministry concerns with the churches. This year (1982-83) we will not enlist a C.S.M. representative, but will work through WMU leadership and Baptist Men's leadership. I appreciate the good work that has been done by the C.S.M. representatives.

Yes, much has been done, but there is much to be done, many to be reached, much love to be shared.

Thank you for your continued good support to the ministry of the Kings Mountain Baptist Association. You help to make my work a thing of joy and excitement!

Respectfully submitted,
Robert G. Davis

EXECUTIVE BOARD REPORT
1981-1982

Three regular meetings of the Executive Board were held during the past church year. Our meetings were held on Monday evenings after the third Sunday, the months of January, April and July of 1982. Our church host for the meetings were: January-Dover, April-Union, July-Pleasant Grove.

Various committee reports were presented at each meeting, also reports of Director of Missions, Director of Christian Social Ministries, financial reports of the Association including progress reports of repayment of borrowed funds. Our July meeting included a report of our Associational summer worker.

Major items of information and recommendations were approved by the Execu-

tive Board.

At each meeting new Pastors having recently moved to serve churches in our Association were presented and welcomed.

Elected Reverend Alton Martin, Pastor of Polkville Church, as Vice-Moderator to serve an unexpired term of the late Reverend Clyde Bearden.

Approved a recommendation from the Executive Committee of the Association. The recommendation included a change in format of our regular meetings beginning January, 1983. The following format will be used for a two years trial period.

SUNDAY SCHOOL REPORT
1981 - 1982

Let me begin this report by directing your attention to the excellent Associational Sunday School Improvement Support Team (ASSIST) for 1981-82: Denise Smith, Linda Ellis, Alice Cullinan, John Hunter, Joe Edwards, Pat St. Charles, Ernest Smith, Bobby Gantt, Larry Green, Stanley and Wanda Webb, Brenda Morrison, and Kay Martin. Four of these, Alice Cullinan, Linda Ellis, Denise Smith, and Pat St. Charles are now recognized by our state Sunday School Department as state approved Sunday School conference leaders. Kay Martin, unfortunately, has moved to Virginia after assisting several of our churches to organize Cradle Roll work.

The first major Sunday School event of the 1981-82 church year was High Attendance Day, the last Sunday in October. In our churches, we had 9,872 in attendance on that day.

Joe Edwards, our associational VBS director led the ASSIST team in presenting two Vacation Bible School clinics. One for the Kings Mountain Baptist Association and one for our sister Ebenezer Baptist Association.

Several ASSIST team members have led special conferences in other associations.

In September, the new "How to Guide . . ." series of inter-agency study course books were taught in an associational workers training conference in cooperation with the Church Training Department of our association. One hundred twelve (112) attended this conference at Elizabeth Baptist Church.

It is encouraging to note that the average Sunday School attendance in our churches for the 1981-82 church year was 9,422, the highest since 1978. Unfortunately, our enrollment has continued its decade long decline and is now 17,004. For our Sunday School enrollment to continue to decline in the face of a growing population in our county is a sign that we are not working for our Lord as effectively as we should.

To help us achieve new heights in Christ's service through the Sunday School,

the Sunday School Board of our Southern Baptist Convention and the State Sunday School Department has cooperated with us in planning a Sunday School Enrollment Campaign set for the last of April, next year as part of the national 8.5 by '85 campaign.

This is a bold project with potential of helping us to do greater things for our Savior than we have ever done before. Major funding for this project will be provided by the Sunday School Board and the state Sunday School department. This campaign will be introduced in detail at a Sunday School Banquet at First Baptist in Shelby on November 9. Sunday School and church leadership from all our churches are urged to attend. Our own Dr. A.V. Washburn, for many years head of Southern Baptist Sunday School work, will be the special speaker.

Respectfully submitted,
Royce Ballew, Sunday School Director

WMU REPORT, 1981-82

The year 1981-82 marked the third and final year of a WMU emphasis on Life-Changing Commitments. The aim of the emphasis has been to lead church members to make life-changing commitments for the support of missions. Associational WMU activities for the year have been planned with this emphasis in mind.

The first activity for the year was a Leadership Conference, which was held at Elizabeth Baptist Church on September 21, 1981. The purpose of this conference was to train women for more effective leadership in the churches of our association.

The associational WMU sponsored an observance of Baptist Women's World Day of Prayer. Beaver Dam Church hosted this service, which was held on November 2, 1981.

Baptist Women sponsored quarterly activities. During the Week of Prayer for Foreign Missions, Baptist Women participated in five group meetings, where they heard missionary speakers. In February, Boiling Springs Church hosted a 'money

shower' and party for the M.K.s who attend Gardner-Webb College. Prayer retreats were held in the spring. The last activity of the year was a 'Share and Salad' supper, held at Second Baptist Church, Shelby, on September 7th. Bob Davis Spoke on associational missions, and women shared ideas about Baptist Women work and mission action projects in their churches.

Other age-level organizations sponsored activities throughout the year. In April the Baptist Young Women met at First Baptist Church, Shelby. The Acteens held an associational-wide home mission study at Kings Mountain Church. The third annual GA Camp for girls grades 4-6, was held at Gardner-Webb College June 21-25. The camp was directed by Martha Madden and Linda Ellis and staffed by young women from churches in the association. The young GAs participated in Day Camp. A training workshop was conducted for Mission Friends leaders.

Zion Baptist Church hosted the annual spring meeting, which was held on April 20th. Doris Spencer, missionary to Okinawa, was the featured speaker.

In February a Baptist Women organization was begun at Community Church. This was the first WMU organization for their church. WMU work has grown in other churches, with new organizations being added.

The associational WMU was recognized as Distinguished for the year 1980-81. This level of achievement was made possible through the efforts of a dedicated WMU Council and because of the support and co-operation of the association.

Respectfully submitted,
Beth Hamrick, WMU Director

ASSOCIATIONAL MUSIC REPORT

Church music continues to be a progressive tool for involving people in ministry and outreach. This fact was evident at our Associational Choral Festival held on August 16 and 17 at Macedonia Baptist Church. A total of 150 participated from 20 of our churches. Clyde Buckner, Minister of Music at Poplar Springs Baptist Church, was our guest clinician.

Several churches in our association have purchased handbells this year and others are anticipating adding handbells to their church's ministry. On June 25th in Kings Mountain First Baptist Church, a Handbell Workshop/Concert was given by the Sonshine Ringers of Lynchville, Virginia. A very good audience from various churches enjoyed this informal concert and received some helpful instruction.

Thank you for your cooperation, your support and the ministry we have shared during the past three years.

Respectfully submitted,
Bob Dills, Assoc. Music Director

MEMORIALS

Since we last met in our Annual Associational Meeting one year ago we have lost 231 members from our churches through death. Two of these were pastors, Rev. Clyde Bearden, who was at the time of his death pastor of the First Baptist Church of Kings Mountain and Vice Moderator of our association, and the Rev. Lee Roy Jones, who was pastor of the Elliott Memorial Baptist Church. We have lost fourteen deacons and 216 lay members.

They will be remembered by us as loved ones, friends, neighbors and fellow christians with whom we had the privilege of service and fellowship in the church of our Lord and with whom we hope and expect to have sweet fellowship again in the heavenly kingdom.

We believe that death is but a hyphen between two worlds, and that the beauti-

ful lives of our departed loved ones are God's beacons lighting the way for us over life's troubled sea.

The writer of the book of Hebrews gives us examples of the faithful who not only lived by faith but died in the faith. They desired a better country, that is a heavenly one. They had come to the city of the living God, to the assembly and church of the first born who are registered in Heaven, to the spirits of just men made perfect.

This we believe about our beloved dead. John tells us that they hunger and thirst no more because the Lamb is the light and life of the city of God.

Surely Oliver Weldell Holmes must have been inspired when he wrote in THE CHAMBERED NAUTILUS,

Build thee more stately mansions, O my soul,
As the swift seasons roll!
Leave thy low-vaulted past!
Let each new temple, nobler than the last,
Shut thee from heaven with a dome more vast,
Till thou at length art free,
Leaving thine outgrown shell by life's unresting sea.

Our deceased loved ones have left their outgrown shells by life's unresting sea but they did not leave their future there. Their future and ours is as briight as the promise of our saviour who said, "Because I live you shall live also." Therefore we say with Paul, "Thanks be unto God who giveth us the victory through our Lord and Saviour, Jesus Christ."

Moment of Silence in Memory and Appreciation

Prayer: We thank you, Father, for those who have lived in the faith and now have died in the faith. We are grateful that they touched our lives with warmth, friendliness and inspiration. We know, Father, that their memories will live long in the lives of all those who knew and loved them. We know that they speak to us even in death and that their works will follow them. May we who are still on this side of death accept the torch and challenge they have passed to us, remembering that our work is not in vain when done in the blessed and Holy name of Jesus. Amen!

Respectfully submitted,
Ernest M. Smith

LIBRARIAN'S REPORT, 1982

The librarians of this association will be meeting quarterly, planning for and making improvements in our church libraries. We had two meetings this year; in January and August, both at the Baptist Center. We will be meeting at New Hope on Tuesday, November 9th. Encourage your library workers to attend. If your church does not have a library, please send a representative. We hope to improve our libraries to support the total church program.

My successor, Mrs. Joy Sandifer, and I attended three days of the Annual Library Conference at Ridgecrest in July.

One new library was started at Northside Baptist Church.

The annual state Library/Media Convention will be at Hickory Grove Baptist Church, Charlotte, on April 29-30.

Respectfully submitted,
Bonnie Price

CHRISTIAN LIFE COMMITTEE REPORT, 1982

The orientation/planning meeting for associational committees, held at Ross Grove, marked the beginning of the year for the Christian Life Committee. A suggested objective, adopted by the committee, stated that we try to isolate some of the moral needs existing in the county that need attention and devise some workable plans through which the association might be able to express itself regarding these needs. The primary focus was on the abusiveness of pornography upon the American community; more particularly, upon Cleveland County.

Eight representatives from the association and two from the Cleveland County sheriff's department attended the Conference on Obscenity held in Greensboro on March 30. In follow-up action from this conference, efforts were made to organize action to be taken in Cleveland County. Organizational efforts for Citizens for Decency through Law (CDL) were made on April 8, June 4 and June 28. As a result of these meetings, letters were written to local businesses who sell pornographic material, encouraging them to discontinue sales of the materials. The response was negative. About 600 letters were mailed to churches and county leaders in order to broaden awareness of and interest in the efforts to organize CDL. Citizens for Decency through Law was organized on August 17 with Mr. Harold Causby elected as president, Rev. Ken Walters, vice president, and Rev. Royce Ballew, secretary/treasurer. Key leaders in organizational effort of CDL, with the support of the association were Rev. Larry Morris, Rev. Allen Davis and Rev. Sam Murphy.

On April 22, the chairman of the Christian Life Committee met with Senator Ollie Harris to discuss the Prior Adversary Hearing Law. Senator Harris emphasized that this law must be repealed before action will be effective in curbing pornography.

Rev. Royce Ballew and Rev. Sam Murphy, trustees of The Task Force on Obscenity, attended a planning meeting on September 1, at Carmel Baptist Church, Charlotte.

The challenge comes to us as local citizens; if we are not satisfied with the ordinances, let's get them changed!

Respectfully submitted,
Sam Murphy, Chairman

REPORT OF THE MEMBERSHIP COMMITTEE

In October, 1981, the Membership Committee was charged with the Watchcare of two groups, Pathway Mission and a group known at that time as Second Baptist of Grover. We have met three times this year, with Reverend James Hamrick of Pathway meeting with us twice.

Second Baptist of Grover, which renamed itself Christopher Road Baptist Church, as it intended to relocate on Christopher Road, has ceased to exist during the year. Since the church is no longer functioning, we have ceased our watchcare of it.

Pathway Church of Kings Mountain has continued to grow. At our October meeting the following information was shared: 47 members, 51 Sunday School

members, 38 average Sunday School attendance, $125 average weekly offering, 80 enrolled in VBS, 14 baptisms with 3 waiting, active WMU, GAs and RAs, 2 deacons, 2 vans running weekly.

Your committee has been impressed by the spirit and the work of the pastor and members of this church. They have been under our watchcare for four years. At a business meeting earlier this month, they voted unanimously to petition our association for full membership as a co-operating church. The Membership Committee feels that this petition should be granted. Therefore, I move that the watchcare of Pathway Baptist Church be terminated and Pathway Baptist Church of Parkdale Circle, Kings Mountain, be admitted to membership in our association.

Respectfully submitted,
Rev. Ken Walters, Chairman

REPORT OF THE KINGS MOUNTAIN BAPTIST ASSOCIATION YOUTH COMMITTEE

The youth of our association were involved in a number of activities last year. There were summer activities for youth led by our summer worker—Bobby Lowman. Bobby will share these with you at tonight's meeting. Several meetings were held with Bob Davis, our CSM Director, myself, and several youth and adults from our association about having a youth summer camp. However, due to the lack of interest, the camp was cancelled for last summer. We will try again this summer if there is sufficient interest.

The Associational Youth Retreat was held the first weekend in February at Ridgecrest. Approximately 85-90 youth and chaperones attended. Mr. Bob Dills, our Association Music Director, led the music. Several adults and youth assisted in the devotions and skits. Our retreat centered on "Costly Commitment". This dealt with the price that we all must pay to have a total commitment to Jesus Christ.

Our Associational Youth Retreat for 1983 will be held on February 4-5. Several churches have already asked for the dates. Please make note and share the date with your church and your youth.

One final note. The Baptist World Youth Alliance will be held in July of 1984 in Buenos Aires, Argentina. We are making plans to take a group from this area. You may have youth that might wish to attend. We will share more information with you later.

Respectfully submitted,
Rev. Glenn Davenport, Director
Youth for Christ

EVANGELISM REPORT

I attended the Key Leadership Conference at Ridgecrest in May of this year. This conference offered many evangelistic tools which are available to our Association by the State and Southern Baptist Conventions.

On November 22, 23, 1982, a worker from the Home Mission Board will conduct a seminar here in the Kings Mountain Association on Growing Evangelistic Churches.

On January 3, 1983, a Prayer Seminar Retreat will be held in conjunction with our regular Pastor's Meeting.

Your Evangelism Committee has already held two meetings and secured information from all the pastors concerning a crusade in the future. Plans are

being made for this crusade to be held the week before schools begins in 1984 in a local stadium. The speaker will be announced later.

Respectfully submitted,
Larry A. Morris, Chairman

SUMMER MINISTRY REPORT: 1982

This summer was most exciting. God was with us as we worked in Cleveland County! Below are listed events that took place and a few events that are to come in the 'Summer of '83'.

1. **Backyard Bible Clubs:** We had 55 youth and adults trained to lead BBC work, in addition to those who were already trained. We had 12 Backyard Bible Clubs reported, with several churches who had trainees not reporting BBC work.
2. **Coffeehouse For Youth:** The coffeehouse idea was new to most, but its format of games, fellowship, special music and devotional speaker was interesting enough to draw a total of 228 youth from many of our churches to participate. There were three meetings: first on June 19, when 12 churches and 51 youth participates; second on July 16, with 16 churches and 111 youth participating; third on August 15, when 11 churches and 66 youth participated.
3. **RA Field Day For Missions:** Involving all of the Crusader RA's from our association, we had this day on July 24th at Pleasant Grove Church's field. There were 73 participants, including RAs, leaders, pastors and Pioneers who helped with the field events. Missionaries from Zimbabwe shared slides and testimony as to God's work through them in their field of missions.
4. **Youth Events:** These events were planned to recompense for the cancellation of the Youth Camp planned for the summer. We went to Wingate college for a choir concert, to Ridgecrest for an evening during Foreign Mission Week, swimming at Gardner-Webb and to Carowinds!
5. **Puppet Making Workshop:** Led by Reu Kayle of Burlington, the workshop was attended by three of our churches who made a total of nine top quality puppets.

Ideas For Next Summer Include:

1. **Worker-For-A-Week:** This concept will make the Summer Worker available to our churches who do not have a Summer Worker or Youth Ministry. This week could be a great catalyst for your youth group. Pray with us on this idea, and if you feel led to do so, ask us about it.
2. **Triangle Fellowship:** This concept is presented to begin a youth fellowship made up of youth from all of our churches, meeting to train in prayer and personal evangelism, emphasizing the importance of the triangle of relationships which we have, God being at the top of the triangle, and men being on the two bottom angles, dealing with each other, while dealing with our Lord.
3. **A Continuation of our Older Programs:** Our programs which have been going will continue, such as are reported from this past summer.

The Summer Ministry of our association is here to be a service, to God and to our fellowship of churches. Thank you for your great support in years past. As we look toward God's future, we see greater things in store! As we go that way prayerfully, we can experience what Paul knew when he said: "And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus." With that peace as a part of our lives, let's reach toward the goal which our God has set before us in Christ Jesus.

Respectfully submitted,
Bobby Lowman, Jr., Summer Worker

FINANCE COMMITTEE REPORT

During the 1981-82 year, the Finance Committee made plans for an Associational-wide Stewardship Banquet to be held on May 18th. Following the banquet, the committee worked to encourage churches to challenge themselves financially through THE GREAT CHALLENGE stewardship program. All churches that accepted the challenge gave reports of good success.

The budget for 1982-83 was a major part of the work of the committee. The budget work was begun by asking each person who expected any funds from the association to submit a budget request. These requests were received, studied, discussed, agreed upon, and finally put into the form that is presented for approval. (Copy of budget is found elsewhere in this volume).

The budget reflects an overall decrease of four percent.

The committee worked as a team in all of its efforts. All decisions were approved by all members present before being accepted as final.

Respectfully submitted,
E.H. Sessom, Chairman

REPORT OF THE SPECIAL GIFTS COMMITTEE

The Special Gifts Committee was formed in 1980 to raise money to pay for our new Associational Building. Some of those who have been active are: Joe Cabaniss, Rev. J.C. Goare, Dr. Wyan Washburn, T.S. Putnam, W.H. Dodd, Tom Tate, Betty Sue Gamble, Edwin Moore, Alta Pernell, Jessie Forney, Harold Causby, C.C. Padgett, Rev. Cline Borders, Carl Spangler, Jr., Dr. James Petty, and Paul Lancaster.

Our building cost approximately $315,000. At the end of September, 1982, we owed $74,000 and have $4,285 in the Special Gifts account. We thank each of you for the manner in which you support our association, but we especially thank you for the special gifts that you have given to help pay for our building.

Our committee is going to continue to solicit small and large gifts and we appeal to you to please help us pay the balance.

The Kings Mountain Baptist Association affords us the opportunity of doing together what we cannot do separately.

My further request to you is please make this a matter of prayer because sometime after the first of the year we hope all of us can join hands together and pay off the entire debt.

Respectfully submitted,
Carlos Young, Chairman

HISTORIAN'S REPORT

Kings Mountain Associations Baptists need to reach, teach, and win people to Christ. This is a task for all of us. To do this, we need to know all about the past and record what we do now, that our successors will know about us and hos well we did the task.

(Dr. Washburn called attention to a computer which had been presented to the association and placed at the front of the sanctuary. He presented the following information concerning the computer).

"This little machine can hold and give back nine MILLION bits of information about this association since it was organized in the fall of 1851 at old Double Springs, 131 years ago, and MORE.

"The more we know about the past, the better we can plan for the future."

"It can be programmed to assist in all the business and financial affairs of the association and all its churches. It can write checks, pay bills, pay salaries after deducting for social security, retirement, insurance, income tax or any other government-related item. It can keep a perpetual INVENTORY.

"This versatile unit can store profiles of key leaders in all the churches."

"It can store and summarize all the data gathered by the director of missions, to be used in his bulletins and his monthly and annual reports. It can do charts and graphs to give that data at a glance.

"When any of this information is needed, the computer can then reproduce it on a printer, and make as many copies as you need.

"It used to its full capacity, it will help a large number of dedicated workers in this association to do their jobs better and give us all the information we need to appreciate our spiritual and Baptist heritage; to inspire us to do our best, perhaps to equal or achieve more than the host of witnesses in the Kings Mountain Association's past."

Respectfully submitted,
Dr. Wyan Washburn, Historian

(Dr. and Mrs. Wyan Washburn and Mr. and Mrs. Gaines Washburn presented a TRS-80 Model II computer to the association on October 19, 1982).

REV. FRED CARTEE

Rev. Fred Cartee was born September 29, 1911. His father and mother Mr. and Mrs. W.C. Cartee were devout Christians and faithful church members. Thus Fred had a fine Christian atmosphere to nuture his life from its very beginning. I discovered the footsteps of this good family soon after coming to the Dover Church as pastor. Fred accepted Christ as his Savior when he was 11 years of age. He married Mae Short and they had two daughters, Mrs. Joanne Lingerfelt and Mrs. Cathy Reid.

He served his country in the armed forces faithfully during World War II and upon his return from military service he began to feel the call to full time Christian service. At first, he felt that he should enter the field of Christian music for he was an excellent musician. However, as time passed he came to feel that his calling was to preach the gospel. He was licensed and ordained by the Dover Baptist Church.

He attended Gardner-Webb College for two years and completed his college work at Baylor University where he received the degree of Master of Religion. His education was accomplished with the wonderful cooperation of his devoted wife who stood faithfully by his side all the way through his ministry.

He served as pastor of the Anthony Grove Baptist Church in the Gaston Association for seven and one half years. The church made significant progress during his ministry there. He later organized and led in the building of the Emmanuel Baptist Church near Cherryville where he continued to serve as pastor for 20 years.

During the time of his illness his constant assurance to those around him was "That Christ met him at the point of his deepest needs" This spirit was manifest in his life as he went among his people. "Blessed are the dead that die in the Lord, yea saith the Spirit, that they may rest from their labors and their works do follow them." Fred lives on in the memory of those who knew and loved him.

Ernest M. Smith, Pastor Emeritus
Dover Baptist Church

REV. HUGH HARRILL

Hugh Franklin Harrill was one of three children born to Rev. Isaiah D. Harrill and Georgia Lattimore Harrill of Cleveland County, North Carolina. His birth date was November 18, 1900. He was married to the former Aileen Padgett and they had two children, Barbara Jean and Richard Durham.

Early in life he had the feeling that sooner or later he would go into the ministry and shared that with his wife to be. This became a reality when his home church, Lattimore Baptist, licensed him to preach in January of 1935 and ordained him December 15 of the same year.

Hugh's schooling was at Gardner-Webb College, Wake-Forest College, and he had some study at Southwestern Seminary, Fort Worth, Texas.

It is easy to remember Hugh as a big man, physically, mentally, and spiritually. He had an infectious grin and hearty laugh, a firm handshake, and one always felt at ease and accepted in his presence.

He loved God's good earth and loved to make it produce vegetables. He loved the creatures of the forest and stream and enjoyed hunting and fishing, raising quail and cattle, and tending bees.

He was a good, gentle person, had strong convictions, standards, and beliefs but he always respected the other person's right to believe differently and maintained friendly good feelings toward everyone.

As a preacher-pastor, Hugh had so many good traits. He had uncommon common sense. His sermons were brief, profound in their simplicity, and to the point, never droning on and on boring the listeners. He loved people, loved to be with them and share all the experiences of life, standing with them before God.

He loved the Lord, he loved the Lord's church, he loved his denomination but he respected the belief of those of other faiths, he loved the Bible and sought to share its truths with those whom he served. Most of his churches were made up of rural people. He identified with them and sought to lead them into deep and loving relationships with the carpenter of Nazareth. Only eternity can measure the countless souls whose lives were made happier and more useful and who have and will join him in that eternal city not made with hands, because he led them to know the Savior and to follow His precepts.

Those of us who knew Hugh can say of him what a lady wrote to Dr. Roy Angel when he retired from Central Baptist Church in Miami, Florida, "Life is more precious to me because your footprints made a path across my soul."

Respectfully submitted,
Rev. C.O. Greene

BRIEF HISTORY OF
Beaver Dam Baptist Church

The history of Beaver Dam Baptist Church is long and interesting. For some time before the church was constituted, several ministers had been conducting services in a grove nearby. On December 23, 1850, deacons and ministers from Sandy Run, Boiling Springs, Mt. Sinai, and Zion assembled to organize the church. There were 43 charter members. Rev. R.P. Logan was the first pastor, receiving a salary of $10.20 for the first year.

In 1851, the church joined the Broad Run Baptist Association but withdrew the next day to join the group of churches which was organizing the Kings Mountain Baptist Association. In 1859, Beaver Dam and five other churches formed the Constitutional Kings Mountain Baptist Association. However, in 1866, the group rejoined the regular association. In 1896, the church hosted the association for the first time, using the nearby schoolhouse to accommodate the large crowd.

A year-round Sunday School has been operated since 1879. In 1868, the church authorized purchase of a Bible and Hymn Book, and in 1888, a committee of three women was appointed to purchase an organ. A BYPU was organized in 1921.

The first church building was made of logs and had neither lights nor heat; however, it was situated near a spring. The second building, constructed in 1868, cost $24 and 52 pounds of nails. The congregation moved into its third building on Thursday of revival week in 1883. And in 1982, the move was made to the present building.

The church has always supported education and missions. Rev. Suttle led the church to give strong support to Gardner Webb College, and Rev. Funderburke emphasized the Cooperative Program, with the church giving 26% of the plate dollar in 1972 to the Cooperative Program.

Members making a significant contribution to Baptist life include Rev. John Suttle, moderator of the Kings Mountain Baptist Association for 40 years and president of the North Carolina Baptist State Convention; Dr. Nolan Howington, Curriculum Consultant with the Sunday School Board; Mrs. Jean Teague, missionary to Hawaii, Jordan, and Japan; Dr. Willard Hamrick, Religion Professor at Wake Forest University; and Ruth Morrow, whose husband is Resident Director of Kennedy Home. Supporting these has been a loving, generous church family which has shared praise, prayer, and gifts down through the years.

Currently, Rev. Paul Sorrells serves as pastor, Mrs. Marla Bralley serves as minister of music, and Mr. Rick Hamrick serves as minister of youth.

BRIEF HISTORY OF
Mount Sinai Baptist Church

In the spring of 1848 a group of concerned Christians gathered in the old Broad River school building for the purpose of organizing a Baptist Church in this community. On May 20, 1848 a Presbytery consisting of Elder Louis H. McSwain, and deacons from the surrounding churches organized Mt. Sinai Baptist Church with thirty charter members. The school building, which was located one-fourth mile from the existing church building housed the meeting for several months. The newly organized church was the results of the efforts of and an arm from the Buffalo Baptist Church in the Broad River Association in York County, S.C.

Elder, L.H. McSwain, having taken an active part in the measures of leading up to the organization of the church was chosen for the first pastor.

The newly organized church was received into the Broad River Baptist Association in 1848 and remained until 1851. In 1851 Mt. Sinai Baptist Church along with several other churches in lower North Carolina met and organized the Kings Mountain Baptist Association.

During the years of her history Mt. Sinai Church has ordained and sent out four men for the Gospel Ministry. Mt. Sinai Church has also had close ties with Gardner Webb College and worked with ministerial students from the college.

The present membership of the church is 310. Broadus Heatherly is the current pastor of the church, Bobby Painter is Minister of Music and Velma Ellis church secretary.

ANNUAL REPORT 1982-83
DIRECTOR OF MISSIONS
KINGS MOUNTAIN BAPTIST ASSOCIATION

I am grateful to be the Director of Missions of the Kings Mountain Baptist Association. These ten years have been rewarding, challenging, affirming, and stress-producing that has resulted in growth.

I am very grateful for the pastors of the Kings Mountain Baptist Association who have given of their time and resources in helping to develop a program. The lay people of the Kings Mountain Baptist Association have just been tremendous. They have given of their time and their resources to put together a program of work that has had its effect here in our area and influence the development of other associations as well.

How greatful I am for a good associational staff with whom to work. I do not believe we could find a better Christian Social Ministries director than Bob Davis. How privileged we have been to have Bobby Lowman with us for four summers. Bobby has established the validity of an associational youth worker among the churches. Margaret Lipscomb is our office manager and our two part time secretaries are Judy Franks and Anne Cook. Wayne Whitaker does a good job of keeping our building clean and ready for the many functions that take place there. Our associational staff not only does a good job at their assigned responsibilities but I want you to know that they also get along well together.

I appreciate our Moderator, Alton Martin, and the assistance he has given us this year and Vice-Moderator, Broadus Heatherly. The program leaders of our organizations have been outstanding. Royce Ballew has done an outstanding job as our Sunday School Director. Dave Gordon has brought the Bible Drill to the forefront and we hope to see new gains in this area. Lela Belle Washburn is leading our WMU and just continues to be a tremendous resource. Whenever we have a need we can call on the WMU. Richard McSwain, director of our Brotherhood just completed a good experience at our Cleveland County Prayer Breakfast and has other activities planned throughout the year. How grateful I am for all of these and the many committees who serve to make our association what it is today.

Now the seventy-three churches of our association are the source of all that is done. It is the churches that elects the associational staff, committees, and officers and members of committees. It is churches that provide the resources. It is churches that provide the volunteers. It is churches that have provided the vital input to shape the future of the association. The churches have created the association. Whatever the association becomes it is the churches that have given her birth. Churches have given the association its form. Churches have chartered her future. What the association is, is what the churches have created. We are your creation, we know this. We are responsible to you, we know this. We are your servants, we know this. We welcome this and we want nothing more than to be able to respond to the task and challenge you assign to us as the churches of the Kings Mountain Baptist Association.

Some times the association has the role of service to the churches such as in the field of leadership training. Sometimes the association has the role of ministering to the needs here in our own Jerusalem such as the prayer breakfast at the local Cleveland County Fair. Sometimes the association has the role of prophet to challenge the churches to meet a need such as calling attention to the 40,000 people living in Cleveland County who do not belong to any church. Sometimes the association assumes the role of projecting plans for the joint ministry of the association such as our Christian social Ministries program. But regardless of the hat we are wearing at the moment it is always as servants of the churches or for the churches. It is our place and as your director of missions I know and welcome this relationship.

This year I am very pleased to be able to recognize twenty-two of our churches that have doubled their gifts through the Cooperative Program during Bold Mission Phase I 1977-82. These churches are: Allen Memorial, Buffalo, David, Double Springs, Eastside Shelby, Emmanuel, Faith, Fallston, Flint Hill, Grover First, Immanuel, Kings Mountain Second, Midview, New Prospect, Patterson Springs, Pleasant Ridge, Putnam, Shelby First, Union, Victory, Wallace Grove, and Zoar.

I am also pleased to recognize those churches that doubled their church receipts during Bold Mission Phase I 1977-82. There were twelve of these churches. These churches are: Community, David, Elizabeth, Elliott Memorial, Flint Hill, Lattimore, Love Valley, Pleasant Ridge, Putnam Memorial, Union, Victory, and Westview.

Larry Morris, director of Evangelism, has already recognized fourteen of our churches that doubled their baptisms during Bold Mission Phase I 1977-82. These churches are: carpenter's Grove, Casar, David, Elliott Memorial, Lawndale, Midview, Mt. Sinai, New Bethel, Patterson Grove, Pleasant Ridge, Ross Grove, Union, Victory, and Waco.

Billy Cooper, chairman of our Finance Committee, recognized thirty-six of our churches that doubled their associational gifts during Bold Mission Phase I 1977-82. These churches are: Bethel, Boiling Springs, Buffalo, Calvary, Carpenter's Grove, Churchill Drive, David, Dover, Eastside Kings Mtn., Eastside Shelby, Emmanuel, Faith, Fallston, Grover First, Highland, Immanuel, Kings Mountain, Kings Mountain First, Mt. Sinai, Mull's Memorial, New Bethel, New Hope, New Prospect, Northside, Oak Grove, Oak View, Patterson Grove, Patterson Springs, Peach Street, Pleasant Ridge, Putnam Memorial, Shelby First, Union, Waco, Westview, and Zoar.

We rejoice in the growth of the churches of the Kings Mountain Association.

This is the year of evaluation. I have gone back and read each of my annual reports to the association. I want to highlight those messages for you today.

1973

Introduction: My first message was to introduce the principles by which I would seek to operate as your director of missions. Here are the statements that I made.

1. I shall strive to be very careful to love everybody.
2. I must strive not to show partiality between churches or individuals.
3. I must strive to be myself.

4. I must be very careful that my desire to be all things to all people does not allow others to make an errand boy out of me.
5. I must strive to sharpen my ability to listen and to learn — willing to be led as well as to lead.
6. Though not a pastor, I must strive to know the pressure and pain of those who serve in this capacity.
7. I must be careful to support churches in their search for a pastor without ever once entering into the decision making process.
8. I must strive to regard every church, every situation in every church, as important and worthy of my best contribution.
9. I must strive to support the shepherd of every flock without ever threatening his person or his role as a pastor.
10. I must strive to present myself as one who is a helper, equipper and enabler, one who will make every effort to understand.
11. I must strive to continually develop my own spiritual resources.
12. I must strive not to neglect my family for one cannot encourage orthers to do what he may fail to do himself.
13. I must activate programs, processes and procedures that will serve the future and refuse to only react to what occurs around me.
14. I must be very careful to know Jesus Christ only as Lord of my life — not my family, my task, my convention — but Jesus as Lord.

I ended by saying, "I need you as a person — not as a fund raiser, promoter of programs, or to fulfill associational tasks — but I need you as a person."

Together we shall share in the greatest task ever given to man — "The Kingdom of God".

1974

I am aware of the strong heritage of the Kings Mountain Baptist Association. I know and admire those who have served in this capacity. Can we turn a corner? I am not making a motion but using the power of recommendation.

1. Should we consider a full-time director of Christian social ministries?
2. Should we consider a Church Extension person?
3. Should we consider a religious educational consultant at the associational level?
4. Should we consider accepting the responsibility for maintaining a home for girls in Cleveland County?
5. Should we consider the construction of an associational office building for more adequate facilities for more added services.
6. Should we consider a music consultant to assist in developing and strengthening the music ministry in the churches?
7. Should we consider — the list contineus — I am not pleading for any one of these causes — only, but trying to raise the question, "Should we consider the ministry of the association to be larger than we have envisioned it to be at this moment?"

The Long Range Committee will begin January 1, 1975. Will they lead us to turn a corner? Kings Mountain Baptist Association is a big business—$3,441,000. Shall we turn a corner? What corner will we turn? When will we have the resources to turn that corner?

1975

At the end of the 1975 session we began celebrating our 125th Anniversary of the Kings Mountain Baptist Association.

Activities for the year would be built around the theme, "Let Freedom Ring". Held

county-wide census, lay evangelism schools, simultaneous revivals with fifty-two churches participating, had dramatic presentation of first annual session, approved permission to secure service of an associational youth worker for next year, closed the message with a "Dare to Dream"—

1. Greater fellowship between churches.
2. Greater fellowship within churches.
3. Greater fellowship among pastors.

This is the year the association sent Mrs. Borders and myself to South Africa.

1976

Program Committee requested that I share the needs for a C.S.M. Director. Directed my remarks based on the needs discovered by the Long Range Planning Committee:

1. Strengthen the Family.
2. Minister to those suffering social pain in prison, jails, domestic court and juvenile court.
3. Support system to existing social agencies in Cleveland County.

1977

C.S.M. Search Committee made its first report. Held seminar for pastors led by Dr. Robert Dole and Dr. Jim Chavis, association-wide deacons retreat at Ridgecrest with 317 registered, three win schools, people search of entire county, Bi-centennial Celebration with Gaston Baptist Association at Barnes Auditorium in Kings Mountain. Present consensus of Missions Committee, Pastors' Conference, Executive Committee and General Board is that our greatest need is for a C.S.M. Director.

1978

C.S.M. Search Committee at work. On March 16 at First Baptist, Kings Mountain at a special called meeting, Robert G. Davis was presented by the Search Committee and elected as our first C.S.M. Director. Purchased building site adjacent to Eastside Church in Shelby. Challenging of mind set that we do not need new churches in Kings Mountain Baptist Association. Facts were shared that if we established churches on population ratio of 1900 we would need 103 churches in the Kings Mountain Baptist Association. Statement made that we need to establish a church with strength at least every five years. Question was raised as whether the association should rethink the notion about new churches.

1979

Beginning of the Prayer Breakfast at the Cleveland County Fair Grounds, projected plans for a new building, first G.A. Camp at Gardner-Webb, launched plans for having pastors visit our churches from South Africa, four-day Pastoral Leadership Seminar, launched Long Range Planning process for the second time, and call to sponsor refugees.

1980

All shocked by the sudden and unexpected death of Mae Petty, our beloved associational office manager. The printed report stated how much we missed Mae Petty who was recovering from surgery. The fact was we also had to announce her death on the first day of

our annual meeting at Patterson Grove.

The visit from the pastors of South Africa left a real spiritual deposit in our midst. A tenure study of pastors in the Kings Mountain Baptist Association of forty years was done with an average of five years two months. As your director of missions, I led conferences at both Ridgecrest and Glorietta; developed teaching guide for the Seminary Extension Departments newest course, "The Ministers Wife". We conducted a mission vacation tour to Nashville involving eighty-seven persons from twenty-two churches. Groundbreaking was held for our new building on Wyke Road.

1981

1981 was the year of constructing our building. Chairman of the committee, Richard Plyler, guided us during these crucial days. Associational receipts exceeded $100,000 mark and receipts within the churches exceeded $6,000,000 mark. Denominational survey revealed approximately 40,000 people in Cleveland County do not belong to **any** church in the county. Began classes in our facility for Southeastern Baptist Theological Seminary.

1982

The theme the of message was that it is time to start talking about what the Lord has done. The series of events that have transpired cannot be explained any other way. What has happened in the seventy-two churches associational program is what the Lord hath done!

1983

An associational-wide evaluation was taken on the leadership of the director of missions. An evaluation form was mailed to all those who receive a copy of the **Beacon.** This is to be processed by the Missions Committee and reported to the association. This process is so new that we will be learning for a long time how to evaluate and how to read the results.

This is an amazing story to me. It does not seem like separate and individual years with each presenting their own joys and trials - it seems like one story orchestrated by a single mind. Now, if you move to the conclusion that some human being did that, I would have to conclude that you were not in touch with what really happened. If you concluded that this is ten years in which the Heavenly Father has guided and lead us, I would affirm your judgement. No one — absolutely no one — is more amazed at what the Father has done than **I am.**

It has been done because we have all had a share in the shaping and the making of the dream. The Father has called out from our midst people with special strengths, insights, commitment to a task, and most of all commitment to the Lord Jesus Christ who loved us and gave himself for us.

This is a story about the Father and a story about people whom the Father wanted to touch. I illustrate it with our most recent event at the Prayer Breakfast at the Cleveland County Fair. A woman in her late forties or early fifties came up to me at the close of the service and as I shook hands with her I realized she had left something in my hand. I took a second look at her and tears were on her cheeks. She looked at me and said, "You will never know how much I needed this. I knew the Lord once but I have drifted away." My response was, "Who of us has not, the Lord loves you very much." With repeated thank you's, she faded out of sight. Here is the $10 bill. I wanted you to see it before I turned it in to our treasurer.

This is a story about the Father and a story about people who need the Father's touch. This is a story of seventy-three churches joining together to do together what they could not do alone. This is a story of what you, the churches, have done.

May God continue to bless all seventy-three of His churches.

Cline W. Borders
Director of Missions

CHRISTIAN SOCIAL MINISTRY — ANNUAL REPORT

1. **Prison Ministry:** Our Prison Ministry continues to be one of our vital areas of concern and has experienced a steady growth of involvment both from participation by the inmate and from our volunteers. October through May and September found us in our every two weeks program of our Yokefellow Worship Service. Average attendance for the total group is approximately 60 people. Our volunteers for this period averaged 15 per night. For the months of June — August we went on a monthly basis. Attendance from the inmates dropped slightly and our volunteers averaged 8 per session. We had a total of 21 inmates who made profession of faith. It was my joy to go and visit with these on a one-to-one basis, and counsel with them on their decisions. Thirty church groups assisted in this program with the provision of home baked "goodies" for the refreshment portion of the program.
   September through May we had a volunteer led Bible Study Ministry. This met Monday and Friday afternoons. This group averaged 15 in attendance.
   One major ministry this year as in years past, was the Gift Packet for the men in the local Prison Camp. Through your response we provided 176 gift packets. Twenty-eight church groups participated in this ministry. Twenty-three youth from our churches came and volunteered to process the items into the packets. This ministry always seems to have an impact on the prison population and for many of the inmates it represents their total Christmas gift.
2. **Juvenile Court Ministry:** We planned five trips this year in our Camping Program. We had to cancel our winter retreat in January because of the snow, so we were only able to have four of these. At our October retreat we had total of 20 people, five of these were volunteers. At our April meeting we had 21 attending with six of these volunteers. At our April meeting we had 21 attending with six of these volunteers. At our June camp we had 27 to attend. Eight of these were volunteers. Our July meeting found a total of 15, with three of these being volunteers. These trips seem to hold special excitement and meaning for the youth of the Juvenile Court. Most of these are in the age of 12-15. Our program includes recreation, Bible study and devotional times.
   I am excited to report to you that your Camping Program will be presented in a mission emphasis at the meeting of the Baptist State Convention meeting in Greensboro, N.C. in November. Ours is the only association in North Carolina that has this ministry.
   In October we took a group of Juvenile Court Youth to the High Rise Prison for youthful offenders in Morganton for the "Final Step" Program. Twenty-three attended this one day trip.
3. **Migrant Ministry:** Our Migrant Fellowship Meetings began in August and ran for seven weeks this year. We met at the Belwood Community Center. Representatives from sixteen churches assisted with this ministry. These were Lawndale, Norman's Grove, Fallston, Westview, Pleasant Ridge, Union, Casar, Double Shoals, Carpenter's Grove, Shelby First, Kings Mountain, Elizabeth, Dover, Polkville, Plains View and Waco.
   Our program consisted of a worship service, picnic meal, and recreation. It was a beautiful experience of sharing the love of Christ and the salvation of His presence with these who were "strangers" in our midst. Average attendance for the migrants was 17 per meeting. The overall average attendance was 31. Volunteers total 167 people. A tremendous amount of love and involvment was expressed by the people of the Kings Mountain Baptist Association as they shared themselves with these who came to our meetings. Kings Mountain Baptist, Dover Baptist and Elizabeth Baptist provided Health Care Kits for our ministry this year.
4. **Literacy Ministry:** A mini-workshop was held at the associational office in February with eight persons attending. A ten hour workshop was hosted by the Dover Baptist

Church in May. Sixteen new volunteers were trained at the workshop and several have been busy working with a student. Non-reading adults continue to come to our attention. We need to prayerfully consider literacy as a priority item in our concern in Cleveland County.

5. **Visually Handicapped Ministry:** Eight clients participated in the ceramic classes (eight weeks) at First Baptist in Shelby. Twenty-one volunteers assisted. Daily program began with morning devotional. We had "graduation" luncheon in November. Turkeys donated by local plant were delivered to four visually handicapped in December.

   Ceramic class of September-December 1982 re-enacted so it could be on audiovisual presentation on state level for use in Baptist State Convention Production for Missions Department on Volunteerism. Total volunteers were twelve.

6. **Mentally Handicapped Ministry:** Day Camp for retarded children and youth held in June, additional camps will be held in July and August. Sixteen mentally handicapped youth attended the three hour day camp. Twenty-two volunteers were trained and participated in the camp. Mt. Sinai youth provided refreshments.

   At our July Day Camp we had 16 mentally handicapped to come and 18 volunteers. At our August Day Camp we had 12 mentally handicapped to come with 16 volunteers. Youth from our churches volunteered and did a beautiful job in working with mentally handicapped youth. We have plans for several day camps next year and a week of Vacation Bible School.

7. **Emergency and Relief Ministry:** This has been an extremely active year in our Emergency and Relief Ministry. The past winter proved to be very difficult for many people of Cleveland County. As always the people of the Kings Mountain Baptist Association responded to the needs of this county in a beautiful and loving way. In addition to our budget expenses, you responded to the needs of this county in a beautiful and loving way. In addition to our budget expenses, you responded to calls for help throughout the year with your special gifts and donations. We received requests for assistance from 1,548 families and were able to provide assistance for 1,281 of these. In the August Beacon we announced that we were temporarily our of funds in the area of rent and utility assistance. These are only two parts of our Emergency and Relief Ministry. In spite of that, we were able to serve as a referral agency for many families and assist them in finding appropriate resources. Also, many sent us special donations during this time, and we were able to continue this part of the Emergency and Relief Ministry on a limited basis. In the April Executive Board Meeting you voted to employ a part time Christian Social Ministry secretary. She came at a slack time and this has enabled me to have time to train her for work in the Emergency and Relief Ministry.

   This has been a tremendous help to me in freeing me to devote more time to the other ministries. The breakdown of our Emergency and Relief work is as follows:

Ministry	Families
1. Clothing	233
2. Food	230
3. Rent	110
4. Utilities	413
5. Medicine	102
6. Transients	32
7. Medical transportation	14
8. Christmas Toy Store	140 (122 in store, rest taken by church groups)
9. Miscellaneous	7
Total Families	1,281

A boost to our winter needs came in the form of the Duke Power Match Money. We were chosen as the agency in Cleveland County to work with this program. For every $4 we raised, we were given $1 by Duke Power. Your response was overwhelming. We were able to raise $12,567.86. The Duke Match for this was $2,750. Citizens bonded together in the Ten Treasures Attic Sale. We received $7,000 from this. A part of the $7,000, approximately $3,200 was applied to the Duke Match Program, thus enabling us to make the money grow and serve more people. We have recently received word that we will receive from the Duke Program again this winter.

We have provided volunteer services to the Department of Social Services in the area of cheese and food distribution to the needy. This was done in October, December, April and August. Approximately 110,000 lbs. of cheese was distributed, plus rice, flour, corn meal and dried milk. We had between 40-50 volunteers who worked hard and faithfully in this caring ministry.

Our most exciting new ministry was the Christmas Toy Store. One hundred twenty-two families assisted with toys, etc. for Christmas. This involved three hundred twenty-three children. Additional twenty-eight families with fifty-seven children were referred to groups who requested a family to help. Four professions of faith in counseling rooms. One hundred eighteen groups/individuals provided items.

We have already begun our emphasis for the Toy Store this year. Please take note of the "Surrounded with Love" sheet in these reports. I'm excited over this unique manner of sharing the birth of a Savior with these families in our Toy Store.

As usual you have been most responsive in your donation of clothing. Often we have excess in adult clothing. This past winter volunteers took some of our excess and made 36 quilts for the needy. This continues to be a needed ministry and an on-going service.

We continue to look for areas where we can begin to minister to the needs of the people of Cleveland County. One such area of investigation is in the area of Domestic Violence. We are currently looking into this from an investigation aspect and will make you aware of the facts and needs as they become known to us.

It is my constant awareness that many of our people do not know all they need to know about their ministries through the Kings Mountain Baptist Association. As my personal goal for the 83-84 year, I want to share this information with 30 church groups. Will you help me do this by allowing me to come to your church/group and tell the story of ministry involvment and needs in Cleveland County?

Your response to the needs of Cleveland County has been the most exciting thing for me this year. The total times you have responded to volunteer in ministry involvment was 2,319. This is doubled from the 81-82 associational year. Thank you for your continued good response to the ministries of the Kings Mountain Baptist Association and for allowing me to be your Director of Christian Social Ministries. May God bless you as you continue to serve Him who loves us all.

EXECUTIVE BOARD REPORT 1983

Three regular meetings of the Executive Board were held during the past year. Our meetings were held on Monday evenings after the third Sunday, the months of January, April and July 1983. Our Church Host for the meetings were: January — Elizabeth, April — Second Baptist, Kings Mountain, July — Patterson Springs.

A change in format of our meetings was begun this year. The first portion of each

meeting provided a time of promotion of current association programs. The second portion provided two separate sessions. Program leaders met with representatives of each church and Pastors and Executive Board members met to conduct the business of the Association. Each church provided a time of fellowship and refreshments at the conclusion of the meetings.

Various committee reports were presented at each meeting, also reports of our Director of Missions, Director of Christian Social Ministries. Financial reports of the Association including progress reports of repayment of borrowed funds. Our July meeting included a report of our Associational Summer worker.

Each meeting new pastors having moved to serve churches in our Association presented and welcomed, approved a recommendation of the Finance Committee to change our existing budget to provide funds for the employment of a part-time employee to serve as CSM Secretary.

Joseph E. Cabaniss
Clerk-Treasurer

SUNDAY SCHOOL REPORT

During the church year, 1982-83, the Sunday School organization of our Kings Mountain Baptist Association led a Sunday School Enlargement Campaign in which 16 of our churches and one from the Ebeneezer Association participated. During this campaign, which climaxed the first week of May, participating churches had an enrollment increase of 203 and found 2,569 new prospects. We are grateful to the Sunday School Board and the state convention for providing leadership and contributing $6,537.14 towards the cost of the campaign.

The first Sunday School event of the year was High Attendance Day. The goal was 10,000 but it was topped with 10,257 in actual attendance.

Rev. Joe Edwards, our associational VBS director led an excellent VBS clinic during the spring.

The final Sunday School event of the year was the workers training clinic at Calvary Baptist where the **Understanding** series of books was taught to 60 participants.

Your Associational Sunday School Improvement Support Team, or ASSISTeam for short, has worked with many of our churches individually and as a group. WMU REPORT, 1982-83

Our logo for 1982-83 of a woman with her arms around the world depicted our "Life Changing Accountability" emphasis so well. We have shown our accountability in this year's work.

Accountable for training was shown in our Leadership Conference held at Elizabeth on September 20, 1982.

Accountable for prayer was shown as we met at Zoar on November 1 to observe Baptist Women's World Day of Prayer.

Accountable for ministry was shown by Baptist Women as they hosted an "M.K. International Fellowship" at Pleasant Ridge Baptist Church October 23 for students at Gardner-Webb. All 17 students received a sponsor who has ministered to them throughout the year. Also in May our associational staff was honored at Eastside Baptist Church. The high-lite being "This Is Your Life - Cline Borders." A way of saying "thank you" to our staff.

Accountable for missionary families was shown as Baptist Young Women held a "Missionary Share-in Pounding" for the Robert Greene's furloughing from Taiwan. Acteens attended the State Acteen Convention at Ridgecrest in October. G.A. Camp was held at Gardner-Webb in June directed by Linda Ellis and assisted by Teala McSwain and staffed by young women from our churches.

G.A.'s and Mission Friends held workshops for leaders.

Beaver Dam hosted our annual spring meeting April 19. Our guest speakers were the Robert Greenes, missionaries to Taiwan. Sharing also with us were Carmon Hood and Ivo Ngha from Gardner-Webb and Ms. Louise Huntsinger, a mission volunteer.

All the W.M.U. Council has assisted churches in strengthening and starting new work. W.M.U. work has been started in three churches: Allen Memorial, Peach Street and Norman's Grove.

I had the privilege of sharing with more than 20 churches through mission study, speaking and etc. this year.

Our association was recognized as Distingusted for the Year 1981-82. This was made possible through the fine work of the W.M.U. Council and the support of our churches.

Respectfully Submitted,
Lela Belle Washburn, W.M.U. Director

BROTHERHOOD REPORT

The Brotherhood of the Kings Mountain Baptist Association reports a successful 1982-83 year.

The 1982 Fair Prayer Breakfast was a success and we fed approximately 130 persons. We appreciate the businesses and individuals who made this breakfast possible through their donations. Also, a special thank you to members of Oak Grove Baptist Church who put the meal together.

The Foreign Missions Rally, sponsored by the Brotherhood of the Kings Mountain Baptist Association was held on November 21 at 3:00 P.M. at Shelby First Baptist Church. The special guest speaker was Mr. Breezy Brasington, Area Secretary of Western South America. The attendance was down on this afternoon meeting in comparison with our regular breakfast meeting which we had always held in the past.

Our "big project" for the year was our Bibles for Zimbabwe. A total of over 2,000 Bibles were collected and shipped to Zimbabwe. We want to thank all the churches for joining together to spread God's Word.

Also, Jerry Freeman and I were able to help organize brotherhoods in four of our churches and to give encouragement to four others. We will be glad to assist your church in this upcoming year and look forward to hearing from you.

Respectfully submitted,
Richard McSwain, Brotherhood Director

ASSOCIATIONAL MUSIC REPORT

This year's church music program was geared to equipping the local minister of music in the tasks of music ministry within the church. Our first event of the year occured in conjunction with the April meeting of the Executive Board. At this time, 27 choir directors and accompanists previewed music for use in their churches. On Tuesday, March 15th, five choirs representing the association participated in the State Regional Adult Choir Festival. On Saturday, April 16th, six children's choirs representing the association participated in the State Regional Children's Choir Festival.

On Monday, April 25th, First Baptist, Shelby, hosted the Singing Churchmen, North Carolina's full-time music minister's choir. Various churches, choirs, and choir directors from the association were represented.

An Associational Children's Choir Leader's Clinic was held Saturday, May 21st, at Elizabeth Church for all directors and workers of children's choirs in the association. Twenty-four persons were present from eight churches in the association. This three-hour training session focused on the needs and programs of the local church's children's choir program. A demonstration choir of 14 children was used to help focus attention on various projects. The session was lead by Dr. C. Michael Hawn, Professor of Music, Southeastern Seminary.

The goal of this year's program was to help equip the music ministers from the smallest churches in the association, to the music ministers in the largest churches.

Respectfully submitted,
Stephen D. Coldiron,
Associational Music Director

MEMORIALS

"And I heard a voice from heaven saying unto me, Write, blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them." (Rev. 14:13)

"Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so I would have told you. I go to prepare a place for you." (John 14:1-2)

True, as always, to His promise, He has received those unto Himself who died in the Lord.

Since we last met 2 pastors, Rev. Hugh Harrill and Rev. Fred Cartee, 8 deacons, and 225

laypersons have gone to their reward.

"I have fought a good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them that love his appearing." (2 Tim. 4:7,8)

Therefore, we do not sorrow as those who have no hope. For one day we shall stand with them in the presence of our Lord.

TO GOD BE THE GLORY.

Respectfully submitted,
C.A. Kirby, Jr., Chairman

ORDINATION COMMITTEE REPORT

The Ordination Committee had no request for examination of a candidate for ministry this year. There was one request for information concerning the type of examination usually given.

The Committee did meet February 21, 1983 as part of the Associational Orientation emphasis. In this meeting discussion centered around "how we may do a better work as a Committee." We agreed to use **THE REVIEW AND EXPOSITOR** aids as a source of information and help.

Two further meetings were scheduled. The Chairman was authorized to make the sec-

tions of **THE REVIEW AND EXPOSITOR** related to the work of an Ordination Committee available to members of the Committee for study and report. One meeting was scheduled for Sunday afternoon March 27, 1983. At this meeting the material, previously assigned, was discussed. The second meeting was scheduled for the evening of April 19th. There was further discussion and some possible suggestions. The following suggestions seemed to highlight the consensus.

1. The Nominating Committee impress upon Nominees the seriousness of responsibility given to members of this Committee.
2. A certain day be set up each month for the Ordination Committee to meet. This be included in By-law IV section 5, after recommendation by the Constitution and By-law Committee and approval by the Association in Annual Session. If there was no important business for any scheduled meeting, the Chairman could cancel the meeting and notify the members.

The idea for suggestion 2 above is to help churches, Pastors, and Candidates allow adequate time for the Committee to do its work more effectively.

These suggestions have been discussed within the Committee only, and no suggestions or request have been discussed with other Committees at the time of this report.

LIBRARIANS REPORT 1982-83

The association owes a debt of gratitude to our volunteers, Mrs. Forrest Kelly and Mrs. Bonnie Price, who have cataloged our associational library books making them accessible to anyone who needs them. We are now talking about cataloging our tapes, slides and filmstrips to make them easier to locate.

We have purchased books which Mr. Cline Borders feels will be especially useful to pastors in their counseling.

We have held quarterly meetings with the church librarians. In November, Mrs. Price led in sharing ideas for advertising the good things available in the church library. Dr. Ernice Bookout was out guest story teller in February demonstrating interesting ways of telling stories to children or adults including the use of puppets, or motions or whatever one has on hand.

Our May meeting was used for planning our summer reading programs. In August we made plans for the new year to fit the library into every phase of the church program. Our November meeting at Northside Baptist Church, we planned to hear a report from the annual Ridgecrest workshop for church librarians.

Help us to promote your church library to improve your church programs.

Joy Sandifer

REPORT OF THE CHRISTIAN LIFE COMMITTEE

Christian Life Committee:

Mr. John Ed Davis, Jr., Shelby
Mrs. Ruby Alexander, Kings Mountain
Mr. J.A. West, Shelby
Mrs. Mary Lou Causby, Shelby
Mrs. Margaret Wilson, Shelby

Organizations with whom the Committee worked:

CITIZENS FOR DECENCY THROUGH LAW (CDL)

Main focal point: PORNOGRAPHY

Discussion at some of the regular meetings were led by local attorneys and the Assistant District Attorney focusing attention on the laws governing pornography.

Attendance was excellent at the CONFERENCE ON OBSCENITY held at the Charlotte Civic Center.

Letters were written to the EDITORS of the local newspapers in the county and a petition against pornography was circulated and received more than 1000 signatures. The petition was given to the Sheriff, who received the petition gladly and openly discussed the problem in Cleveland County.

MOTHERS AGAINST DRUNK DRIVING (MADD)

Main focal point: DRUNK DRIVING IN NORTH CAROLINA

Strong support was given to Governor Hunt's DUI Bill — Safe Roads Act — that became effective just this month (October, 1983). Attendance was good at Governor Hunt's DUI HEARING FOR RELIGIOUS LEADERS held at UNC, Asheville.

Further support was given to the SAFE ROADS ACT through letters written to our Senators and Representatives in the General Assembly.

KINGS MOUNTAIN POSITIVE ACTION LEAGUE

Main focal point: ABC STORE REFERENDUM

Support was given toward the **defeat** of the Referendum by assisting in the solicitation of finances, promotion and voter transportation on voting day in Kings Mountain area.

The defeat of the Referendum was given strong support by the NORTH CAROLINA CHRISTIAN ACTION LEAGUE. The Christian Action League has its main office in Raleigh and, along with other Christian affiliates, encourages the following of strong Christian principles in the General Assembly. The League raises a banner of support with churches and associations across North Carolina in the fight against alcohol, drugs and pornography. The League desperately needs and deserves the support of our churches. The official publication of the League is "Tomorrow".

REPORT OF THE MEMBERSHIP COMMITTEE

To the People of the Kings Mountain Baptist Association:

The Membership Committee this year has been composed of Rev. C.A. Kirby, Jr., Mr. Bill McDaniel, Mr. Ralph Queen, Rev. Rowe Teague, and Rev. Bobby Gantt. We met twice during the year. First, we participated in the Committee Orientation Workshop early in the year and had a brief meeting at that time. Second, we were invited by Mr. Bob West of Kings Mountain to meet with Mr. West and a group calling themselves the Friendship Bapatist Church. At the time they were meeting in a house at 1004 Cleveland Avenue, Kings Mountain. The Membership Committee met with this group on Thursday, April 14, and discussed why they wished to be part of the Kings Mountain Baptist Association and steps they needed to consider and take before becoming part of the association. We asked this group to send us reports of their progress and to call on us for further assistance if needed. In a brief meeting after meeting with Mr. West and his group, the Membership Committee decided to take no action and make no recommendations to the association. Since April we have received no reports from this group. In talking with Mr. West, he said that a group was still meeting at his house, but little progress had been made.

Respectfully submitted,
Rev. Bobby D. Gantt, Chairman

HISTORIAN'S REPORT

Our History lesson today is on DATES!
Some of us do not like dates.
Some of us say we can't remember dates.
But we can. We remember what is important to us.

Each of us remembers his or her birth date, though some of us hesitate to tell it. Our wives remember the date of our wedding anniversary, and we men had better remember it.

The entire world, civilized, pagan and heathen, procedes on Christian time, the date (A.D.) the year of our Lord, Anno Dominus.

We remember Christmas, New Years Day, the Fourth of July, and that Columbus discovered America in 1492.

Members here at Beaver Dam all know this church was constituted in the fall of 1850, a year before the Kings Mountain Association was formed at Double Springs in 1851; that it got its name from the dams the beavers made in the nearby creek where the first converts were baptised. Most of you have heard that 8-year old John W. Suttle was converted under a big pine near the cemetery, later preached here a third of a century, and that his funeral was here in 1962.

Kings Mountain was the daughter of the Broad River Association which was born in 1800. It was a direct descendant of the Sandy Creek Association and the Sandy Creek church organized by the Rev. Shubal Stearns in Randolph County in 1755. Two former members of this association, Sandy Run at Mooresboro and Old Buffalo near Blacksburg, SC were constituted in 1722, before the American Revolution. Zion is now our oldest daughter, born in 1816.

During the past several months I have collected some 50 dates important to members of the churches in the Kings Mountain Association. This list is too long to review today, but I propose to include it as "extended remarks" to be placed in the annual minutes, at your pleasure.

These dates and data will include information about important men and women of the association, both in past and present who have made and are making this body what it is and has been.

I move the adoption of this report.

W. Wyan Washburn, M.D.

Church Groups by Area....82

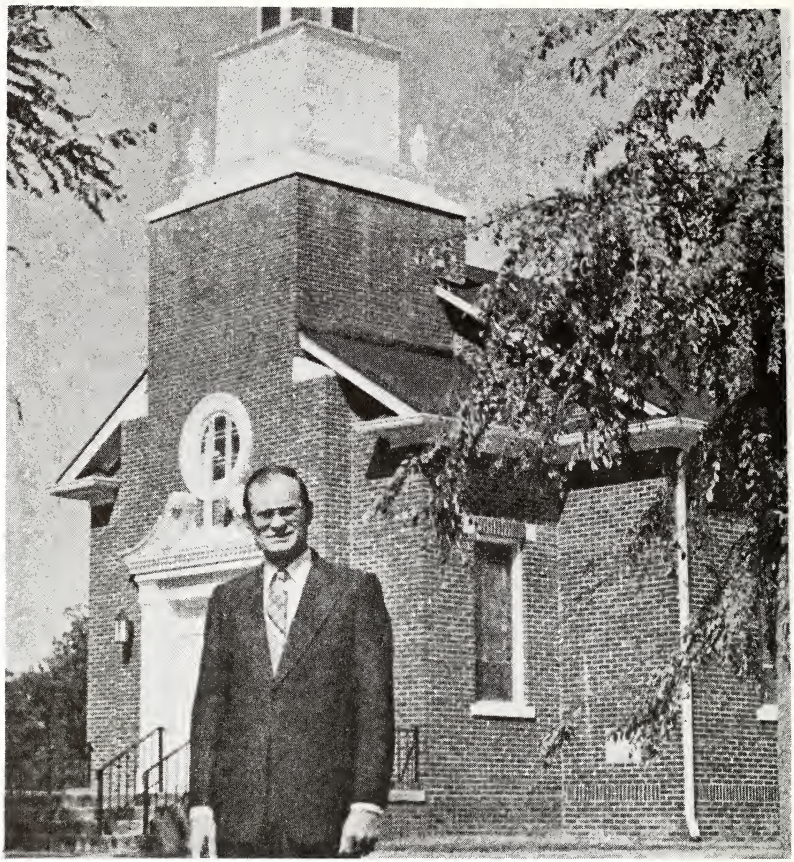
During the days of August 14-17, 1983, Elizabeth celebrated a century of ministry. It all began in the heart of Elizabeth Love Wilson for whom the church is named. A reliable source reports that she would bring her cow to graze upon the grassy land where the church now is located. At times another saint, Jane Borders Mauney, would join Elizabeth to pray as the cow grazed. The burden of their prayer was for a church in their community to erase the influence of a nearby liquor store and eliminate the necessary travel to reach churches like Pleasant Hill and New Prospect.

The founding date, engraved in the cornerstone of the first brick structure completed in 1910, is June 8, 1983. Available records indicate that either during a brush arbor revival of early 1883 or soon thereafter a Sunday school was organized and that in September 1883 the congregation petitioned for and was accepted into the membership of the Kings Mountain Baptist Association. God gloriously answered the prayers of the two early saints and has placed in the Elizabeth community a congregation of near 1,000 whose ministry extends to the ends of the earth.

Over a span of 100 years 19 pastors have served the congregation. The average length of slightly more than 5 years, and more than 7 for the past 50, indicates that from the first pastorate of C.F. Felmet, whose tenure may be the shortest, to the present pastor Fred A. Mauney, whose length of service is the longest, the pastor people relationship has been strong and enduring.

Few churches in the state have been as supportive to missions and denominational ministries as Elizabeth. Recent statistics, as published in the Biblical Recorder, concerning giving through the Cooperative Program revealed the top 100 churches. Elizabeth was number 40 of near 3,500 churches in dollars amount and 40 in percentage of total receipts.

The headstone at the grave of Elizabeth Love Wilson has inscribed uon it, "she hath done what she could." She prayed for a church in her community. She put legs to her prayers when she gave land upon which a building could be constructed. Because hundreds across a hundred years have joined hands and hearts to do what they could, The Elizabeth Baptist Church has become a manifestation of Christ not only in its community but throughout the world as she has endeavored to heed the command of Christ and go into all the world to "make disciples."



Waco Baptist Church

Waco Baptist Church was originally organized as Capernaum Baptist Church located at the site of Capernaum Cemetery. The following is inscribed inside the cover of the first minute book: "The Church at Capernaum were (sic.) constituted the 9th day of July, 1842 by Elders D. Dobbins and R.P. Logan." Elder Drury Dobbins accepted the call of the church and became its first pastor.

On September 9, 1842, Mattie Carpenter became the first member to be received by baptism. She was baptized the following day and among her grandchildren are Mrs. John Wacaster of Shelby and W.H. (Coot) Lutz of Waco.

"Sabbath School" was started in April, 1867.

When organized, Capernaum joined the Broad River Association, but joined the Kings Mountain Association in 1871.

The church decided in 1886 to move its place of worship to Waco and in 1888 used the name "Waco Baptist" in submitting the annual letter to the association.

The original church site was marked in 1918 by the construction of an arbor. Since then, Homecoming Day services have been held at the Capernaum arbor.

Waco built its present auditorium in 1940 and retired its building debt by the end of 1941.

Rev. Burley Turner of Waynesburg, Kentucky became the church's first full-time pastor on June 21, 1953. In 1954 the church constructed its present educational building, and in 1956, the church built the present pastorium. Then in 1963, the auditorium was remodeled into its present configuration and the front foyer and steeple added.

Rev. Royce Ballew, a native of Dallas, Texas, was called from San Juan, Puerto Rico to become pastor of Waco Baptist on July 3, 1977.

Waco Baptist has hosted the Kings Mountain Baptist Association four times: 1891, 1945, 1964 and 1984.

He also explained that the Baptist State Convention has requested that we absorb more of the Christian Social Ministries Director salary. He thanked those involved for holding increases to five percent. He also illustrated by chart that it has been proven when the budget is increased, contributions increase, and when the budget is lowered, contributions decrease. Mr. Cooper made a motion that the budget for 1984-85 be adopted, seconded by Joel Jenkins. The motion carried. The 1984-85 budget is found elsewhere in this volume.

He also stated that a letter to individuals had been mailed regarding Partners in Paving to help on the paving of the parking lot at the associational building. A challenge gift of one half the cost has already been made. Mr. Cabiness asked if they might be allowed to go ahead with the paving before inclement weather begins. Mr. Fred Swift made the motion that they go ahead with the paving, and Mr. Coot Lutz seconded the motion and the motion carried.

Dr. Jenkins compared baptisms in our association for the years 1914, 1949, and 1983. In 1948 with 58 churches in the association 1,075 people were baptized, in 1983 we had 73 churches and total baptisms was 581. Dr. Jenkins stated that we need to take a look that in Cleveland County 40,000 people are unchurched. He challenged each one present to win two people to Christ in the coming year. He stated we need to reach and win people to Jesus Christ, and also that we let the scripture in I Kings 19 help us have a spiritual renewal.
41. Rev. Greg Thornton, pastor of Ross Grove Baptist Church gave the benediction.

DIRECTOR OF MISSIONS
ANNUAL REPORT 1983-84

It is difficult for me to believe that another year has passed. But one must recognize the authority of the calendar.

It seems that every year has been a busy year. I have always welcomed a heavy schedule of activity. There are times though when the multitude of the task become almost overwhelming.

I need your encouragement, your support, and your participation in this kingdom endeavor. It cannot be done by one person or the staff of our association. It can be done when we become a team complimenting each others efforts. I am being very candid with you when I say I need you, all of you. Your help and your assistance is essential to my personal well being and to the achieving of the goals of our joint ministry.

This past year I have preached thirty-seven sermons, visited in fifty other services. I was in the home or office of thirteen of our ministers. I led seventeen seminars, had four hundred sixty-six personal conferences, four hundred ninety-five telephone conferences, and led training sessions for ten Pastor Search Committees. I participated in twenty-nine associational committee meetings and fifteen state convention meetings. There were twenty-two visits with pastors or members of their families in the hospital. I shared in thirty-five growth groups for ministers and attended eight Pastors' Conferences. I shared in two community meetings, nineteen associational activities and led one revival.

I want to ask you to join me in looking at the financial circumstances of our pastors and staff members. I am greatly concerned about the financial needs of those who minister among us. In terms of dollars, we have never been paid so well. In terms of purchasing power, we have made very little, if any, progress. Unfortunately, it is still difficult, if not impossible, for the minister to represent his financial needs. Who represents his needs? It is a question worth answering. Who does this in your fellowship? At the table where budgets are proposed and compensation is determined often there is no one to represent the pastor and staff. The association seeks to support this need by providing information, but we do not seek nor are we privileged to sit with and be a part of that process. Let me encourage you to look back into this process and see who accepts the role of representing your ministers financial needs. **One of the finest ways to say thank you to a pastor and staff is through adequate and generous compensation.**

Our ministers are looking at a fourteen percent social security cost. This is fourteen percent of total compensation including housing. I am confident that every minister gives a tithe as a minimum of his income. Most pastors are also faced with a ten to fifteen percent tax bracket. This means that thirty-four to thirty-nine percnet of your ministers income is not under his control or available to him to care for his family. If his salary is $20,000, thirty-nine percent of that is $7,800. This leaves your minister $12,200 to care for his family after tithing, taxes, and social security.

Most ministers I know are supplementing their retirement benefits out of their own compensation. Let me share with you some of the facts in North Carolina. This information came from the Annuity Board January 31, 1984. These figures show those receiving $100 per month or less and those receiving $100-$200 per month. These are the retired pastors and staff members of the churches that have served us in North Carolina. Listen to these figures. Those receiving $100 or less; 681. Those receiving $100-$200; 415. Those receiving $200 or more per month; 225. This is shocking information. Such inadequate preparation for our ministers consigns them to live in retirement with a loss of personal worth and the inability to meet many of their own human needs. Churches should insist that their minister be covered with an adequate retirement program in the early years of his life and then and only then will he be adequately cared for in those yeas when he comes to receive these benefits. Our Baptist State Convention is recommending that churches set aside at least ten percent of the ministers compensation for retirement benefits. Even this sum will be meager enough for those who have served us in the Lord's name to provide for themselves and their

families in the period of retirement.

Our joint ministry continues to grow. You will be made conscious of that growth as you follow the proceedings of this annual session. It is designed to report to you. It will take the whole session to get you in touch with what has been done and to catch a glimpse of those things that are about to happen.

I am delighted to report to you that the American Christian Television Service is coming to Cleveland County. We are indebted to Shelby First Baptist Church for making it easy for us to move into this ministry. First Baptist Church will purchase and house all of the initial equipment needed. We hope your church is in the process of joining this ministry. We must receive written notification saying that your fellowship has voted to participate. The cost is $1.20 per resident church member per year. This money will go to our Radio/Television Commission to help offset the tremendous cost of production and the purchase of space on the satellite. The greatest reason that you should belong is that it will minister to our area. ACTS is a way of reaching the unreached. It is a way to get the gospel into the condominiums, apartment complexes, and other places that we do not have access to through a door-to-door visitation. ACTS is now broadcasting twenty-four hours a day and provides the TV audience an option to much that is on the tube.

For five years we have been serving as host to the classes offered by Southeastern Baptist Theological Seminary. Two teachers drive down from Wake Forest each Monday. Students travel from as far south as Marietta, Georgia and as far north as Elkin, North Carolina to attend these classes. Current enrollment is thirty-one in the New Testament class and forty-two in the Congregational Behavior class. Your pastor has an opportunity to update his training, pursue a new degree or begin his theological training right here in our county! This is a part of your joint ministry.

We are rapidly approaching the fulfillment of a long time dream—a new mission in a needed area by the churches of our joint ministry. Number Three Township has a total population of 7,227. Baptist churches in the area have a combined membership of 1,490. One Methodist church in the area has a resident membership of less than 200 as reported by the pastor of that fellowship. This means that there are 5,237 persons living in that township who are not involved in any of the area churches.

We now have an Advisory Committee organized and staffed to begin a new work in this township. Dr. Paul Sorrells is chairman of the committee to begin this new work. The committee needs your active support in terms of personnel and money. Opportunities will be presented to you in the months ahead as this work unfolds. Pray for this new mission, plan to give, and determine to share in this new work. Your church has been asked to consider this opportunity and vote to participate by electing three people to serve on the Advisory Committee. Plan now to go back to your fellowship and get on board in this exciting adventure.

North Carolina Baptists are sharing also in a mission in West Africa inthe land called Togo. Volunteers are asked to go and share their skills. Already forty-two persons from our state have given from one to three weeks of their time. Who is needed? Listen carefully to the list: tractor operators, dozer operators, Lome hostess, drilling supervisor, drillers, Moretan project supervisor, carpenters, nurses, masons, cook, assistant cook, preachers, bridge engineer, concrete specialist, iron worker, missionary kids school teacher. Application forms are available through your associational office. Let me urge you to apply and secure more information. You can stop the process anytime. Explore this option, you may find a rich opportunity for yourself and God's Kingdom.

There are opportunities here in Cleveland County and there are opportunities in Togo, West Africa. The Father is calling all of us to find our place.

During this annual session, you will have opportunity to consider several constitutional changes. I personally feel that they are all in the best interest of the association. The principle behind these changes is to more clearly define and spread out responsibility. In my judgement, the stronger the base of operation we can achieve the stronger we will be in our joint ministry.

Bob Davis, our CSM director, is recovering from surgery and doing nicely. Bob has completed six years of work with us beginning in 1978. Aren't you proud of the outstanding piece of work he has done. Read his report carefully and rejoice. This past year the volunteers who operated the top store were recognized by a certificate from Governor Jim Hunt of North Carolina. Bob, himself, was given the Civitan Citizen of the Year ward by the Shelby chapter. He was cited for "outstanding achievement and unselfish service in the betterment of our community." When you read the record of twenty-three professions of faith and how he has enlisted 1,837 volunteers, you understand why he has been recognized.

Our joint ministry—it is exciting and I want to tell you something—the Lord has not completed His task with us yet. There is much ahead to be accomplished and He wants all of us to be a part of all He is doing.

Respectfully submitted,

Cline W. Borders

CHRISTIAN SOCIAL MINISTRIES — ANNUAL REPORT 1983-84

Again this year we have experienced growth in our programs of ministry. I am delighted to be able to share the following report on the activities of ministry to the people of Cleveland County.

1. **Prison Ministry** We have continued to be involved in ministry to the men in our local prison camp in four major programs of ministry. Our Yokefellow program has been one of our major efforts. We have met bi-weekly in services of worship and fellowship. Twenty-one volunteers have been involved in this ministry by providing home baked goodies for the fellowship period of our services. Volunteers went 134 times to be a part of this ministry. We had two inmates who made professions of faith. A second ministry has been the weekly Bible study. We meet one hour per week in the afternoon. Seminary Extension Bible Study began in October and ran for twelve sessions. In April we began classes using Charles Colson's materials, *Prison Paper*. This has proven to be an excellent resource of valuable guides for discussion. We have had faithful attendance by those who are involved. The third area of ministry is our Christmas gift packets. Last Christmas we provide gift packets for the men in the local prison camp with forty-two churches/individuals responding to this ministry by providing items for 170 gift packets. The Gideons provided New Testaments for each packet. As a fourth emphasis, I have continued to serve as a volunteer chaplain at the camp and spend time in one-to-one counsel with inmates. Total volunteers for the year—66.
2. **Juvenile Court Ministry** In November 33 youth and adult sponsors attended the movie, "The Prodigal." This was preceeded by a hot dog supper at Central Methodist Church and folowed by a discussion of the film. Also, in November your Juvenile Court program was presented in a special mission program at the Baptist State Convention in Greensboro. In December, the Baptist Young Women of Union Baptist Church hosted youth and adult sponsors of the court at a Christmas dinner. Twenty-six persons enjoyed a delicious turkey dinner with all the trimmings. This was followed by a time of Christmas carol singing, a magic show and a nativity scene chalk talk by Elizabeth Walters. Each youth was given a treat bag and a copy of the New Testament. On March 15 we took a

EXECUTIVE BOARD REPORT 1984

Three regular meetings of the Executive Board were held during the past year. Our meetings were held on Monday evenings after the third Sunday during the months of January, April, and July, 1984. Our Church Hosts for the meetings were: January — Calvary; April — Zion; July — Double Springs.

We continued the format of our meetings initiated during the previous year. The first portion of ech meeting provided a time of promotion of current Association programs. The second portion provided two separate sessions—programm leaders met with representatives of each church; pastors and executive board members met to conduct the business of the Association. Each church host provided a time of fellowship and refreshments at the conclusion of the meetings.

Various committee reports were presented at each meeting, also reports of our Director of Missions and Director of Christian Social Ministries. Financial reports of the Association were presented, which included progress reports of our Associational Summer worker.

Other items included approval of refinancing of our existing borrowed funds to improve our interest rate. Director of Missions, Cline Borders, presented a very challenging inspirational message—"A Dream for the Next 5-10 Years for Our Association". Also approved was a contingency fund for our association as recommended by our Finance Committee. Additionally approved was a recommendation of the Executive Committee ". . . that the churches of the Kings Mountain Baptist Association be challenged to work toward giving four percent per annum, of undesignated gifts received, for the ministry of the Association. . .".

At each meeting new pastors having moved to serve churches in our association were presented and welcomed.

Joseph E. Cabaniss
Clerk/Treasurer

SUNDAY SCHOOL REPORT TO KMBA, 10/23/84

The first Sunday School event of the 1983-84 associational year was High Attendance Day, Oct. 30, 1983. A goal of 11,225 was set and attendance was very close at 11,199—a 9% increase over the previous year's High Attendance Day.

John Hunter led our outreach clinic at Calvary Baptist on March 12-13 which was called the "So Send I You" clinic. There were 126 who participated in this event.

The entire ASSISTeam participated in a Sunday School clinic at Faith Baptist in Kings Mountain on April 15.

On May 10, 150 attended the VBS clinic at Elizabeth Baptist organized by Robbie Moore.

The final associational Sunday School event of the year was the teacher training school at Zoar on September 10-11, directed by Pat St. Charles. The "Basic" series of books was taught to 112 participants.

During the year, ASSISTeam members had individual conferences in many of our churches. The ASSISTeam also took part in state and SBC training events to improve its skills. The Associational Sunday School Improvement Support Team of our Kings Mountain Associational always stands ready to provide assistance to our churches with their Bible teaching and outreach efforts through the Sunday School.

Royce Ballew, Sunday School Director

CHURCH TRAINING REPORT

Church Training continues to provide opportunities for growth in Christian discipleship. Among these opportunities are (1) continuing age-graded groups, (2) Equipping Centers, (3) new church member training, (4) Baptist doctrine study, (5) Master Life, and (6) Disciple Life: Training Youth in Discipleship. The purpose of each of these methods of training is to equip Christians for the tasks of ministry.

Churches throughout our association are using one or more of these approaches to training in an effective manner. Enrollment in Church Training increased by 5.2% during the past year. Several churches have begun Master Life groups and have reported very positive experiences with this in-depth discipleship study. Equipping Center Modules continue to be a popular resource for short-term training or as an alternative to dated periodicals. The variety of materials which are available enable a church to design a Church Training program which will meet the needs of its people. I encourage our churches to utilize these resources and to continue their good work in Church Training.

Associational events during the past year were as follows:

(1) Two of our Associational Church Training leaders attended the Enabler's Conference at Fruitland.

(2) Master Life training was offered at the associational office for the second time under the leadership of Rev. Billy Cooper.

(3) A Bible Drill Worker's Workshop was held with a total of 19 people in attendance.

(4) Six churches participated in the Associational Bible Drill. There were 27 children and 3 youth. Twenty-five children and one youth were State Bible Drill winners.

(5) We had one participant in the Youth Speaker's Tournament who represented our association at the regional tournament.

Exciting things are happening in Church Training. Resources are available to help you have an equipping, growing, and "building up" ministry in your church. May God enable you to make this a reality.

Respectfully Submitted,

Bruce E. Hancock, Church Training Dir.

WMU REPORT, 1983-84

The year 1983-84 had a two-fold emphasis "Partnership in Prayer and Ministry." We share partnership in missions on many levels. Our focus this year being related to undergirding with prayer and responding to opportunities for mission action and personal witnessing.

We began the year with the Fall Leadership Conference at Elizabeth Baptist Church on September 19, 1983 seeking to equip our church WMU leadership. Baptist Women sponsored our Baptist Women's World Day of Prayer on November 7, 1983 with seven participating prayer groups from: Beaver Dam, New Hope, Kings Mtn. First, Polkville, Zoar and Waco. Baptist women held an "MK" International Banquet on November 26, 1983 for students at Gardner-Webb College at Boiling Springs Baptist Church. The students were sponsored throughout the year by the churches.

Baptist Young Women carried out the Prayer Emphasis with a "Prayer Retreat" May 11 and 12 at Camp McCall with Miss Martha Franks, retired missionary to China, as guest speaker.

Acteens began with a Fall Rally on November 14, 1983 at First Baptist Shelby with a NAC skit and in keeping with the ministry theme, gifts were brought to be sent to Western Carolina Mental Health Center. A foreign mission action study was held on the associa-

tional level at First Shelby. The Acteens big event for the year was the National Acteen Convention at Fort Worth, Texas July 16-22. A chartered bus made it possible for many girls to attend.

GA's were busy this year with a mission action program November 17, 1983 at Double Springs with Bob Davis as guest speaker. An activity was held February 18, 1984 with Paul Johnson's missionary family to the Philippines at Pleasant Ridge Baptist. Resident GA Camp was held at Gardner-Webb College, June 18-22 with Connie Long as Camp Director. GA Day Camp was held September 18, 1984 at Zion Baptist Church for grades 1-3.

Shelby First Baptist Church was host for our annual spring meeting on April 10, 1984. We could see our partnership at work through our guests Mary and Tom Small, missioanries to Zambie, Africa, and Sybil Beason from Trinity Baptist Church in the Sandy Run Association who is a volunteer to West Virginia.

New work was begun at Love Valley in January with a Baptist Women's group being organized. Also 11 other new age level organizations began in our churches. The associational WMU Council has been faithful in assisting many individual churches with training, mission studies, help organizing and many other things this past year. Our WMU was recognized as Distinguished for the year 1983-84. We appreciate the support and cooperation of the association.

Respectfully submitted,
Lela Bell Washburn, WMU Director

EVANGELISM REPORT

I attended the Key Leadership Conference at Ridgecrest again this year and there plans were released for Good News American Simultaneous Revival to be held throughout the Southern Baptist Convention in the Spring of 1986.

The Executive Committee of Kings Mountain Baptist Association voted unanimously on June 21, 1984 to participate in GNA. The date which we have chosen for this area is April 6-13, 1986.

I hope each pastor will cooperate in this and encourage their churches to be a part of this effort. You need to secure your evangelist now because many will be involved in this evangelistic emphasis.

Larry Morris

ASSOCIATIONAL MUSIC REPORT

The music program of the association is for the help of the churches in the association. At the first meeting in January, music directors met with The Executive Baord. Churches that had special Christmas programs were asked to share these experiences. We heard from First Baptist in Shelby, who had a program in the Malcolm Brown Auditorium, and from Double Springs and their Singing Christmas Tree.

At the July meeting of the Executive Board, Ministers of Music met and previewed Christmas music.

During the summer, a video tape, *Introduction to Music Leading,* was prepared in cooperation with the associational office. This is for the use of any church or group needing help in this field.

The Associational Music Director and those helping are ready to be of assistance when possible.

Respectfully submitted,
R. Allen Jolley

7. Most N.C. Baptist Associations elect their officers by use of a committee. A survey was taken at the Key Leadership Conference held at Ridgecrest in May 1984 to substantiate this theory.

RESULTS: 60 Associations were represented.
51 stated that they used committees to select their officers.

ORDINATION COMMITTEE REPORT

The committee this past year was composed of the following members: Rev. L.A. Howard, Rev. Marion Adams, Rev. Dave Gordon, and Rev. Glenn Walker, Chairman. Rev. Sam Murphy served with us a short time but moved from our association.

This past year we met one time for the purpose of organization and four times at the request of churches for the purpose of examining candidates for ordination.

The committee met on October 29, 1983 at the request of Faith Baptist Church, Kings Mountain, to examine Mr. Stephen Parker. After a period of questioning, Mr. Parker was recommended for ordination. Mr. Parker was called as pastor of Walker's Chapel Baptist Church.

On August 4, 1984 the committee met at the request of Dover Baptist Church to examine Mr. Robert Dockery. Mr. Dockery was examined and did well with the questioning but was not recommended for ordination at this time because he had not been called to a church. The reason for this procedure was because Mr. Dockery was going to Southwestern Baptist Theological Seminary, Fort Worth, Texas and was looking toward being called to a church there. At such time Dover Church could proceed with the ordination. However, if there is too much time elapsed the committee felt that another examination should be held.

The committee met on October 20, 1984 at 1 P.M. at the request of First Baptist Kings Mountain to examine Mr. Mike Landrum. After a period of questioning Mr. Landrum was recommended for ordination. Mr. Landrum was called as associate pastor of First Baptist Kings Mountain. The committee met on October 20, 1984 at 2:30 P.M. at the request of Northside Baptist Church to examine Mr. Max Turner, Jr. After a period of questioning Mr. Turner was recommended for ordination. Mr. Turner was called as pastor of Norman's Grove Baptist Church.

Respectively submitted,

Glenn Walker, Chmn. Ordination Comm.

ASSOCIATIONAL LIBRARIAN REPORT

Those Church Librarians who attended quarterly meetings improved their skills in planning a year's program for their libraries. They heard book reviews of books they might like to add to their collections. They shared with each other how to improve their publicity to draw more of their church people to use the library. They discussed what the church officers and teachers need from the library to improve teaching and other skills. They discussed books which would be useful to people who might be hurting in their churches. (People who are divorced, bereaved, ill, shut-in, lonely, etc.)

Mrs. Bonnie Price and Mrs. Forrest Kelly have continued to catalog the books in the Associational Library as more have been added.

Hopefully, in the coming year, the audio-visuals (filmstrips, cassettes, etc.) may also be cataloged to make them more accessible to the churches.

Respectfully submitted,

Mrs. Joy Sandifer

REPORT OF THE CHRISTIAN LIFE COMMITTEE

In June of this year, it was called to our attention that Food Lion, Lowe's Food and six convience stores had petitioned the city of Shelby to be annexed to the city by satellite annexation. The reason the stores wanted to be included in the city was this would enable them to sell beer and wine. The Christian Life Committee met in the office of Mr. J.A. West to discuss what we could and should do about this. A decision on the petition was to be made by City Council at their next meeting. So it was decided that we should go to the Council meeting and Mr. West would be our spokesman to voice our opposition to the city making it possible for these stores to sell beer and wine. We, along with several other concerned citizens, went to the council meeting. Some who could not attend had called the council members before the meeting and others had sent a petition—all in opposition to the annexation. Maybe we had a small part in helping the council members decide to vote against annexation.

Also at our meeting in Mr. West office, we discussed pornography and the fact that so many unfit magazines are displayed in the mall, newstands, and convenience stores where small children and young people are exposed to them. Mr. West advised us that until the Supreme Cuort changes its stand on the issue of pornography, that we would not have a chance at winning a case against the people that choose to sell this material. Right now we are just keeping a watchful eye and hoping that soon there will be some changes in the Supreme Court. When there is — maybe the pendulum will swing back toward common decency and we can do something.

In order for the Christian Life Committee to accomplish much, we need the help of all of you. If you hear of or read of anything that you think needs to be checked into, please give one of the committee members a call. If you can't remember who we are, just call the associational office. They will refer it to the proper persons. We will never know if we can help a situation or not until we try.

So, if we will all work together, maybe we can make this a better Christian community in which to live.

Respectfully submitted,

Mrs. Margaret Wilson, in the absence of
Rev. Dean Proctor, Chairman

MEMBERSHIP COMMITTEE REPORT

The Kings Mountain Baptist Association is composed of seventy-three churches. During the past year, no groups have sought the assistance of the Membership Committee. However, during the last two weeks, the association has received an inquiry from Mr. Bob Wells and a group meeting in Kings Mountain concerning meeting with the Membership Committee and taking other steps necessary for inclusion in the association. The Membership Committee will be available to assist as the need arises.

HISTORIAN REPORT

Kings Mountain Association in 1851 had 13 original churches in Cleveland County and Rutherford County and upper South Carolina. We are now 133 years old and have approximately 30,000 members in 73 churches.

The first year after the association was organized there were 128 baptisms. Now there are approximately 600 baptisms per year.

If there were any Sunday Schools (then called Sabbath Schools) the minutes do not tell of them. The Sunday School era began about 20 years later. There are now about 17,000 members.

The Women's Missionary Union was begun in 1895 with possibly 25 members. Two churches, New Bethel and Shelby First, appear to have organized about the same time, though Shelby made the first report to the NC Baptist Convention. WMU now has some 3,800 members.

Training Union, or the old Baptist Young People Union (BYPU) appears in the minutes of 1919 with Professor O.P. Hamrick of Boiling Springs as Associational leader. It now has 4,000 members.

Brotherhood appeared first at Zion in 1946, and now has about 2,000 members.

Property values were not listed in early years, but a fair estimate is $6,500 for 13 churches. Some of the members were still meeting under brush arbors. Total property value now is a whopping $56,000,000.

There were only nine full-time ministers in the association in 1851 and they supplemented their income by farming or merchandizing. There are now approximately 125 ministers in the association as active pastors, teachers or retirees.

Salaries in those early days ranged from no pay at all to $1,000 per year and pay was sometimes supplemented by "poundings" of fruits, vegetables, meats, and home supplies and other gifts of love. Larger churches now have multiple personnel salaries to pay for music, education, maintenance, etc. . . not just for the pastor. The spread is now from $2,000 to $235,000 per year.

Gifts for all causes per year per member increased from about $4.80 to $240 per year.

Total gifts for 1851 were less than $7,000 and now all gifts exceed $7,000,000 per year. This information represents the extremes of THEN and NOW. We have grown some, at least in numbers. Anniversaries are important events for our churches. This year Patterson Grove reached the century mark and Union will be 100 next year. Flint Hill celebrated her diamond or 75th anniversary this year and Norman Grove will be 75 in '85.

Calvary will enter the Golden Age of 50 years in 1985, and to celebrate is planning a new church in a new location.

Double Springs is 140 years old, and its neighbor Beaver Dam will be 135 next year. Sandy Plains and New Prospect are 130. New Hope is a mature 110. Casar and Patterson Springs are 90 years old. Kings Mountain Second and Pleasant Ridge will reach their "three score and ten" majority at 70 years in 1985. Polkville will soon be 45. Love Valley is 40 now and will share its two score candle with Community and Temple who will be 40 next year. Westover is coming up on 35 in 1985 and Peach Street will be 30. Emmanuel and Northside are young as churches go at a 20 and 10 years old, respectfully. The other Immanuel (spelled with an I) is looking at ten years. Pleasant Hill always knows its age as it was constituted in 1851, the same year as the association.

Christian Freedom is the 74th church to be in the association family and is walking, talking and toddling well at the age of 7. Zion is the oldest at a venerable 168 years old. It began 25 years before there was a county of Cleveland and 35 years before there was a Kings Mountain Baptist Association.

Our committee salutes both young and old. Of such does Hitory continue to be made.

W. Wyan Washburn, Chairman
History Committee

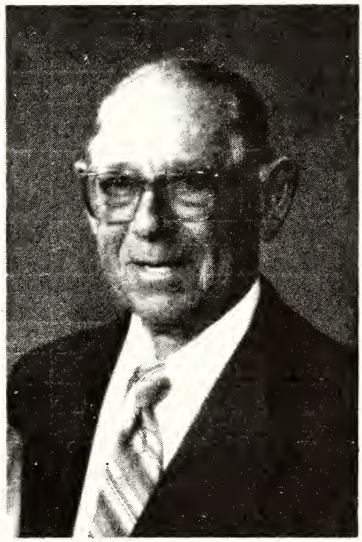
DEDICATION

By action of the Executive Committee, the 1985 Minutes of the Kings Mountain Baptist Association are dedicated to the memory of Mr. W.H. Dodd. He had an intense interest in the ministry of the association and served effectively and joyfully on the Special Gifts Committee.

IN MEMORIAM



For 39 years, Walter Henry Dodd, Jr., served the Lord as a faithful member of Waco Baptist Church. When the Lord called him to his heavenly home on Wednesday, August 14, 1985, Mr. Dodd was serving his church as a deacon, trustee, Adult Men's Sunday School teacher, Director of the Adult Training Union, and as a member of various committees. His pastors remember him as the greatest friend, advisor and supporter a pastor could have.

His love for his Savior, his church, and his pastors came natural for W.H. Dodd, for he was the son of a Baptist preacher, the late Rev. Walter H. Dodd and Jessie Elizabeth Mallonee Dodd. A native of Savannah, Georgia, he attended Wingate College and graduated from Wake Forest University in 1933. On June 29, 1934 he and Ruth Sinclair were united in marriage. They have one daughter, Anne Phelps of Boone.

W.H. Dodd came to Cleveland County in 1935 to teach at the Piedmont School in Lawndale. He then became principal at Casar and in 1946, he became principal at Waco. He remained at Waco until he retired in 1972. His love for children continually showed itself in such activities as his coaching many championship girls basetball teams, his delight in taking seniors to Washington, DC, and his gift of recreational facilities to Waco Baptist Church.

Mr. Dodd was always interested in his community. He was a charter member of the Waco Ruritan Club and President of the Capernaum Cemetery Association. He was also director of the Waco Community Volunteer Fire Department.

Following his love for his Lord, the Lord's church and the Lord's servants, W.H. Dodd's most outstanding trait was his generosity. He was generous with his time, his physical labor, his money and his personal involvement.

Walter H. Dodd is missed.

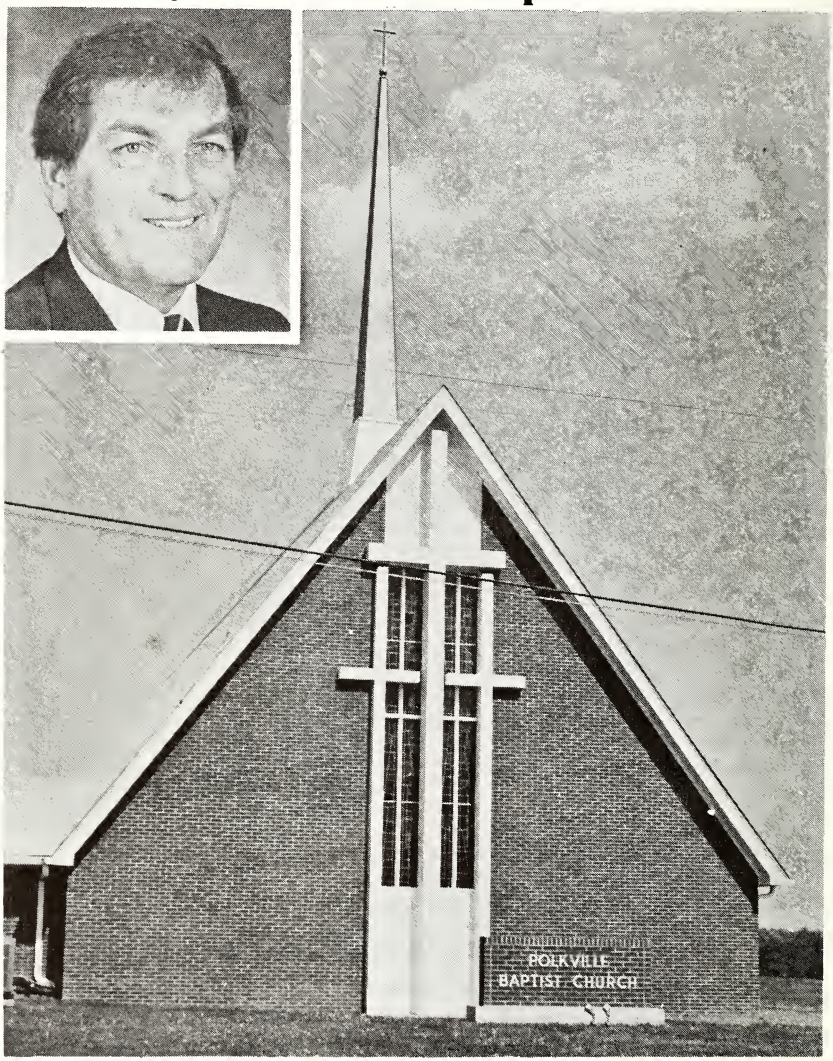
History of Polkville Baptist Church



Polkville Baptist Church was organized July 28, 1940. A Presbytery met at the Polkville High School for the purpose of establishing a Baptist Church in Polkville. As a result of work accomplished by Rev. D.F. Putnam, Rev. H.E. Waldrop, N.L. Whisnant, and Fred Mintz, plans were made to organize what is now Polkville Baptist Church.

Rev. J.W. Suttle, moderator of the Kings Mountain Baptist Association, was elected as moderator, and Wyan Washburn of Double Springs was elected as secretary.

The Rev. D.F. Putnam was recognized and spoke briefly on the status of work at Polkville. Residents of the community and the executive committee had asked him to study the feasibility of a church at Polkville. He stated that with the help of Rev. Lawrence Roberts, and N.L. Whisnant a survey made in May had resulted in the establishment of a Sunday

School at Polkville totaling 75 members.

The Presbytery approved the petition asking for the privilege of organizing a new church. The convention covenant and 18 articles of faith were accepted unanimously by the church.

The following officers were elected:

Rev. D.F. Putnam.....Pastor
Buren Whisnant.....Sunday School Superintendent
Mrs. Pine Withrow.....Music Director

August 11, 1940, was set as the deadline for charter members. A revival was conducted the following week.

The newly organized church continued to hold worship services at Polkville High School for about 15 months. On October 4, 1940, a tract of land was purchased from Mr. & Mrs. Fred Blanton for the purpose of erecting a church building. Construction started immediately, and the congregation moved into the new building late in 1941. Services were first held in the main auditorium of the church on the third Sunday of August, 1942. Minor construction continued for several years. The W.M.U. ladies, desiring to see carpet placed in the sanctuary, planted a ten acre cotton patch and donated the profits to the church for carpet.

The original building was dedicated in 1950, under the leadership of Rev. W.P. Biggerstaff.

As the church continued to grow, led by Rev. W.V. Tarlton, Rev. Frank Lattimore, and Rev. Paul C. Ross, a new educational building was erected in 1960 to house an increasing Sunday School. Property purchased over the years now totals approximately 15 acres. A parsonage erected in 1963 continues to meet the needs of an ever growing ministry.

The original building was demolished in 1976, shortly after dedication of a new sanctuary on February 1, 1976. As in 1950, Rev. W.P. Biggerstaff was the principal speaker, assisted by Rev. Kenneth Lambert, Carlos Young, and the pastor, Alton Martin.

Memorial Day, 1982, also receives a Gold Star, because on that day Polkville Baptist Church used its new Family Life Center for the first time. Shortly thereafter, a Tennis Court was given in memory of Mrs. Helen Bradley by Mr. Xi Bradley and was dedicated September 4, 1983.

At present the total membership of Polkville Baptist Church is 456, with an average Sunday School attendance of 215.

To be the Glory, Great Things He has done.

History of Union Baptist Church

Union Church, 6354 Polkville Road is conducting a year long celebration of its centennial anniversary. On Tuesday, September 22, 1885, a presbytery of representatives from Zion, Boiling Springs, Double Springs, Sandy Plains and Fair View organized Union Baptist Church with 6 male and 16 female charter members. The site of the meeting was in old Union School House near Union Springs which is ¾ mile east of present church.

The Sunday, September 22, 1985 centennial celebration service was a re-enactment of the organization of the church. Copies of the original 1885 church records were distributed.

Union joined Kings Mountain Association September 24, 1885. Some other milestones were organization of Sunday School 1896, BYPU and WMU 1920's, Brotherhood 1955, Vacation Bible School 1946, Mission Vacation Bible School on Cherokee Reservation in 1982 and Bible Drill 1985. During the 100 years, 73 men have served as deacons and 30 of them are current members at Union.

There have been three church buildings. In 1887, Marcus Mauney gave two acres of land on which a one-room church was built. While D.G. Washburn was pastor, a second church was built in 1913 with an addition in 1922. The present building was completed in 1943 during pastorate of Amos M. Kiser. The educational plant was enlarged in 1980 while Kenneth Walters was pastor. The renovated sanctuary was dedicated in 1985. The church has a parsonage and fellowship hall.

Elder R. Newton Hawkins was Union's first pastor and served 1885-91. Other Pastors and the order in which they served are: T.J. Moss, J.M. Bridges, Tom Dixon, Abram P. Hollifield, G.M. Webb, J.M. Bridges, J.V. DeVenney, T.J. Moss, D. Gordon Washburn, Amos M. Kiser, Clifford C. Crow, Grover C. Teague, Forrest Teague, Bryan Putnam, Max Burgin, Bill L. Ford, Ronald Martin, Kenneth Walters and R. Kenneth Cobb. Reverend Cobb came to Union December 16, 1984.

October 22, 1985

28. Moderator Broadus Heatherly called the evening session to order. This session began with an inspirational congregational singing under the direction of Rev. Allen Jolley.
29. Rev. Keith Dixon, pastor of Flint Hill Baptist Church read the scripture from Psalms

107:1, 8, and 9. Rev. Dennis Helms, pastor of Allen Memorial Baptist Church led in the opening prayer.

30. Moderator Broadus Heatherly ask for all those who did not fill out an enrollment card this afternoon to do so at this time. The ushers took them up.
31. A warm welcome was extended to new ministers and staff members from our Director of Missions, Cline Borders. These included: Rev. and Mrs. Harold Upton-pastor of Faith, Rev. Ken Cobb-pastor of Union, Rev. Dennis Helms-pastor of Allen Memorial, Rev. Keith Dixon-pastor of Flint Hill, Rev. Brian Taule-pastor of David, Rev. Mike Cothran-pastor of Bethel, Rev. Phillip Waugh-pastor of Grover First, Rev. Jeff Brendle-pastor of Elizabeth, Rev. 32. Director of Mission, Rev. Cline Borders was reçognized for his report. He stated that some of the accomplishments of our association during 1984-85 were: our building being paid off and the beginning of a mission on Christopher Road. He praised all volunteers who make the ministry of our association possible and urged each church to plan well for the retirement of their pastor so as to provide for them adequately. Rev. Borders then ask the congregation to "dream" with him. He also ask if anyone could have dreamed where our association would be in 1985. Our next step in growth could be to obtain a Church Development Director whose emphasis would be on CHURCH GROWTH so we could reach the unsaved in Cleveland County for Jesus Christ.
33. Rev. Billy Cooper, Chairman of the Finance Committee and Minister of Education of Shelby First Baptist Church, was recognized for the presentation of the 1985-86 budget. Copies were distributed as the messengers arrived. He stated that the budget had an increase of only about $700. He also reported that a contingency fund was budgeted at $10,000. This fund would be used in case of a shortfall of receipts to keep the Baptist Center in operation. This money would be placed in an interest bearing account and used only in case of emergency and then would have to be approved by the Executive Board upon the request of the Finance Committee. Billy Cooper then moved to accept the budget and Richard Plyler seconded. Rev. Ed Sessom asked since the budget was involved in one of the constitutional changes could we vote on the budget tonight. Rev. Marion Adams stated that if the constitutional change did not pass approval, that part of the budget would be just stricken from the budget. The motion was amended to include "if the constitutional change was approved." Some discussion followed. The question was called for. The motion was voted on and passed. The budget was approved.
34. Rev. Allen Jolley led in singing "Amazing Grace."

Heatherly then recognized all the students that were in attendance from Gardner-Webb.
36. Rev. Richard Plyler, Chairman of the Building Committee and pastor of Patterson Grove then lead in the celebration service for our note buring. He read from Acts 2:17-21. We then sang "To God Be The Glory." Rev. Plyler stated that the theme of our meeting was: "Making the Dream a Reality." The dream of a new associational

building began at an Executive Board meeting in 1977. Rev. Plyler recongized all who served on the Site Selection Committee and the Building Committee and sub-committees. Four people shared their testimony with us about what the use of the building has meant to them. The people were: Cline Borders; Randy Wadford, seminary student; Bob Davis and Mrs. Audrey Ashe, volunteer. The paid note was then burned by Joseph Cabaniss, Cline Borders, Bill McDaniel, Dan Jolley, Marion Adams, Alton Martin, and Broadus Heatherly while we sang "Alleluia, Thank You Father." Joe Cabaniss led in a prayer of Thanksgiving. Then under the direction of Robert Hendrick, the choir of Polkville Baptist, our host church presented a concert of beautiful music of praise.

Whitener made the motion that By-law IV, Section 4 be adopted. Rev. Billy Cooper seconded the motion and the motion carried. Rev. Whitener moved that the Proposed Addition to Section 4 be approved. DIRECTOR OF MISSIONS
ANNUAL REPORT 1984-85

On Wednesday, September 25, 1985, Clerk-Treasurer Joe Cabaniss made the final payment on our building! Praise the Lord!

This has been accomplished because of the churches contributions and especially those who have faithfully given four percent of their budget dollar to associational missions. The effort of the churches was aided with the work of our Special Gifts Committee. We are very grateful for both. These two forces have enabled us to complete payment for our facility in four years.

The greatest significance of the building is not that it is paid for but the larger scope of ministry that is possible because we have the building as a medium. Not at any moment did we imagine that the building would be utilized so fully so quickly. We can no longer assume space is available. There are times when every meeting room is taken. The fall seminary classes from Southeastern Seminary have forty-five enrolled. These persons travel from Mt. Airy, Roxboro, Hendersonville, North Carolina and Pickens, South Carolina. Seminary Extension classes are also being conducted in our building. We are getting ready for our toy store and ministry to prisoners during the Christmas season. Community organizations such as Head Start, Mental Health Board, Child Abuse Prevention, Abuse Prevention Council, and Domiciliary Home Advisory Committee share our building. Our joint effort with seven fire departments to provide furniture for burned out families has occupied part of our space. Currently, two groups of ladies meet and, under the direction of Marie Wall, turn adult clothing into children's clothing. Three growth groups for pastors use the building each week — and on and on it goes — your joint ministry in our Jerusalem.

As the ministry has grown, so has it increased my activity as your director of missions. During the past year, I preached forty-two sermons and visited in sixty-one other services. I made fourteen calls into the home or office of pastors. I conducted sixteen retreats. I had five hundred sixty-nine personal revivals and met in training sessions with eleven Pastor Search Committees. I met with fifty-six associational committees and attended elevent state meetings. I made eleven visits to the hospital to the leadership of our churches. I attended twenty-eight growth group meetings and ten pastors' conferences. I shared in three community meetings and participated in four associational activities. I assure you that being your director of missions has stretched me as a person and caused me to grow.

Last year's report stated that Dr. Paul Sorrells was chairman of a committee to begin a mission in Number Three Township. That mission is on the way and growing. Attendance has been over forty for the past few weeks and the offering in excess of $300.00 per Sunday. Rev. Gerard Marchese is serving as interim pastor and providing good leadership.

The mission is being sponsored by the following churches: Beaver Dam, Bethany, Bethlehem, Churchill Drive, Double Shoals, Dover, Faith, Kings Mountain Second, New Hope, Oak Grove, Patterson Grove, Patterson Springs, Pleasant Hill, Pleasant Ridge, Putnam, Shelby First, Waco, Wallace Grove, Zion, and Zoar. We need more support. We need to buy the lot on Christopher Road and provide a meeting place. The renovated store we are meeting in now is full. One class is being held under a shade tree and that will not be acceptable with the coming of winter. We can purchase the 5.3 acres for $18,000.00. These are immediate and pressing needs for the mission.

Westview has passed a motion to give a minimum of $2,000 toward purchase of the land. That is a challenge. Are there other churches that will do the same or more? Fred and Charlotte Swift have agreed to loan us $1,000 interest free money. This is another way you may be involved. Let me urge you to contact Dr. Paul Sorrells and let him know of your willingness to share in the mission endeavor. Attorney J.A. West said at our last Advisory Committee meeting, "There is going to be a church at Christopher Road" and you have an opportunity to get in on the ground work and one day look back with a great deal of pride

that you were used of the Lord to birth a church. It is exciting to be in on the beginning. Get on board with us and find a new excitement in your Christian experience.

While trying to be involved in missions here, our churches are also involved in missions in West Virginia and Togo, Africa. Elizabeth Baptist has sent two teams and Patterson Springs Baptist has sent one team to West Virginia. Ms. Bryte Barber from Beaver Dam Church, Mrs. Marjorie Hamrick from Boiling Springs Church, Mrs. Mary Gragg from Pleasant Ridge Church, Mr. Bob Chadwick, Mr. Roger Martin, and Mr. John McSwain all from Westview Church have been to Togo during the past year. Mr. Carroll Brackett from Oak Grove Church will leave for Togo on October 24th. We praise the Lord for these churches and individuals who have chosen to serve Him in this way.

We do not need to pick and choose between these opportunities as we have the resources to be involved in all of these mission opportunities.

The joint ministry of our churches is possible because of the ongoing participation of our many volunteers. During the church year literally hundreds of volunteers staff the needed ministries. I want to say a big word of thanks to each of you. God bless you for your willingness to serve and for your capable ministry.

Contributions from our churches continue to increase. This year receipts show a 10.4% increase over last year.

I have a deep appreciation for our staff. Bob Davis continues to lead us in one of the best C.S.M. programs in our convention. Margaret Lipscomb continues to grow in her skills as office manager. Judy Franks keeps our financial affairs straight under the able assistance of Joe Cabaniss. Anne Cook gives not only assistance to those who request it but adds love and understanding. Anne has a beautiful way of witnessing to those who enter her office. I am so grateful for an efficient and congenial staff with whom to work and witness.

Three seminars are scheduled for next year for ministers and staff personnel: March 4 — "Understanding Population Growth in North Carolina", May 20-21 — "Issues Around Forced Termination", November 18-19 — "Coping With Anger and Authority in the Ministry."

We have a new retirement program for pastors, church staff and employees that will take effect in 1988. I have asked that we create a task force to help us make churches aware of the need to upgrade the retirement of those who serve us. We have little awareness of how totally inadequate projected incomes will be for those who serve us

Our world is changing. We must be willing to look for new and better ways to be a witness of the marvelous grace and love of our Lord to this present generation.

Now dream with me!

Is there one among us who could have predicted ten years ago where we would be today as a cooperating group of churches? Maybe you forsaw it all — I did not. I had dreams but they were not as ambitious as the reality we have accomplished. We have had pastors and lay people who have accepted major chunks of responsibility. They have led us with fairness and firmness. They caught sight of the dream of what we could become and they mustered the support to accomplish the task and did it in the context of Christian grace. I salute you. We could not be where we are today — we would not be where we are today — except you allowed yourself to be a part of the Kingdom dream right here in our own Jerusalem. How grateful I am for you. I must admit that I became discouraged and would have settled for far less but you led us on — and I speak for myself and a multitude of others when I say thank you for your faithfulness to the task.

What is our next major step? What are some of the pressing needs that we are struggling with in our ranks? We are faced with a static of declining Sunday School enrollment. The Sunday School is the source or pool from which we win others in the Southern Baptist Convention. We have the challenge of bringing to Christ one-half of this county. That is a conservative figure! Resident membership of all churches in Cleveland County is less than one-half the population. Do we dare think or believe that all resident members have a vital

population. Do we dare think or believe that all resident members have a vital relationship with Christ? I am like the Baptist who was being taken to task by a Methodist. The Methodist said the trouble with you Baptist is that you don't think anybody is going to Heaven except Baptist. The Baptist replied, "It is worse than that. I don't think all the Baptist are going to Heaven." It is not church membership but a vital relationship with Christ. Vital relationship with Christ will result in identification with the body of Christ. I do not believe anybody can be saved and remain in isolation from other Christians.

This is our challenge, reaching one-half of the people here, where I live, where you live, with a vital experiences with Christ.

What can we do at the associational level? This is the only option open to us to assist with this challenge. The association is not a church, must not try to become a church but must put itself together to be of maximum benefit to the churches.

What is it???? Hear me carefully. A church development person whose primary goal will be church growth. This individual would work with the four basic organizations, Sunday School, Church Training, WMU and Brotherhood. This person would work through our existing volunteer leaders, supplementing their leadership. Religious Directors would have a resource person to encourage them in their task.

Currently there are fifteen churches in the Kings Mountain Baptist Association that are at that awkard stage of growth whereby they need another staff person but not quite able to afford it. This person could and would be available to these churches and any other to lead them in short term projects. For that period of time, the church development person would attend the church that he is working with and work under the leadership of the pastor until the project is done. Churches would need to define clearly what task they wanted accomplished and how long it would take, secure an agreement with the church development person and/or committee and go at it. Then the church development person would be nearby to do maintenance work as the project continued to unfold. If all those churches at the point of needing another staff person joined in this process and each secured the services of such a person for three months, it would take three years and six months to respond to their request. Then there are the other 50 churches that would also request his services plus the 9 who have Religious Education persons. This person should be available to all the churches, supported by all the churches and his primary aim would be CHURCH GROWTH.

We now have five associations that have such a person and three other associations seeking such a person. Two associations having such a person has a smaller resident membership than KMBA. One of them has less churches. One of the three seeking such a person has less resident members and less churches. If you are interested in what other associations are doing in this regard, we would be right on target. All signs seem to point this out as our next move.

What are some of the task such a person could accomplish? Leadership training for new classes, working with outreach leaders to become active in reaching others, grading a Sunday School so as to create new classes, training of the leaders of new converts to be effective witnesses, directing a people search, leading Sunday School teachers to win others through their classes and there are many more.

We do not want nor need someone to fine tune existing religious structure but someone whose primary emphasis would be on growth — reaching people with a vital relationship in Christ.

Now friends there are two ways we are going to reach one-half of Cleveland County. We might as well quit fooling around and think we will do it any other way. We will have an opportunity to reach half of Cleveland County when we start number 1, new units in existing churches and number two, new churches. This is how and where growth occurs. If we are not willing to do these things then we are saying to the lost we are not serious about reaching them. We will be saying to our Lord, the Great Shephard that we are not serious about reaching His lost sheep. I believe this is the next step for us in our joint ministry.

You have heard a dream! I do not think anybody is ready to make a motion, I do not know of anyone who plans to make a motion. This need has surfaced in every Long Range Planning process we have been involved in. Now is the time for us to pray together, share together, plan together, and during this next year, decide whether or not we will do something decisive and creative to have an opportunity to reach one-half of Cleveland County for Christ.

Remember the story of the stewards in the Bible. The one who flunked the test, failed miserably and said "I was afraid". We will be confronted with this temptation. I do not know how much time we have. No one knows but I want to spend my time and my energies stretching myself and our association to reach the unreached of Cleveland County for Christ.

We need to feel your strength, your encouragement, your suggestions and together may the Lord shape us into a team that will win a victory — a victory for folks in Cleveland County and a victory for Christ.

CHRISTIAN SOCIAL MINISTRY
ANNUAL REPORT 1984-85

1. **Prison Ministry** Statistics show that we have over 17,000 people in our state who are housed in our prison system. Some of these are not Christians, and need to hear God's word proclaimed. Many are Christians and need someone to remind them that God's love is real, expressed by His Spirit and shared by His people. Our ministry to the one hundred sixty-five men and personnel in our Shelby prison camp continues to be a priority concern for the CSM Department of the Kings Mountain Baptist Association.
   A. Our Tuesday evening worship services continue to meet with regularity every other Tuesday evening. We are allowed to take seven volunteers in for this project, and have had a total of fourteen volunteers involved in this part of our prison ministry this year. We have had thirty groups of Baptist women and Acteens to provide baked goods for our worship/fellowship experiences this year. If these groupings only averaged three per group, this would make ninety volunteers who have had a part in this ministry.
   B. Our Thursday afternoon Bible Study continues to be a real sense of joy for me. It is exciting to see people hunger after God's word, and grow in their faith as a result of their gained knowledge and faith. We have had five volunteers involved in this ministry.
   C. Twenty-nine church groups/individuals participated in the donation of items for the gift packets at Christmas. Representatives from five churches helped with the packaging of the items. There were twenty-two volunteers. We prepared and delivered one hundred seventy packets. Because of extra money this year, we were able to provide each of the prison personnel with a one pound fruit cake.

   TOTAL VOLUNTEERS: 131
   PROFESSIONS OF FAITH: 5
2. **Juvenile Court Ministry** We were only able to have two camping experiences with our Juvenile Court youth this year. Our camping experience in March was a delight. The weather was terrific — in the 80's both days. We had fourteen youth to go and eleven volunteers. Pleasant Ridge Baptist Young Women provided the meal for Friday night and cookies for all weekend, and the Shelby Rescue Squad Auxiliary sponsored three youth's expenses. On June 7-8 we took ten youth to South Mountain Christian Camp for an overnight camping trip. Four adults went as chaperones.
   TOTAL VOLUNTEERS: 15
3. **Literacy Ministry** There are many tragic points to those caught in the web of il-

literacy. We now have approximately 3,500 adult people in Cleveland County who have difficulty with reading. In addition to these, there are numbers of young adults between the ages of 16-24 who have the same problems. It is estimated that one out of every five adults in North Carolina is either illiterate or functionally illiterate. Sarah Williams has done an excellent job this year in directing our Literacy Ministry. We have had eleven volunteers who have been active this year. On April 26-27 we had a ten-hour workshop to train literacy volunteers. Sixteen workers were trained. Nineteen persons were in attendance.

TOTAL VOLUNTEERS: 30

4. **Ministry To Visually Handicapped** In March we had a dinner for the Visually Handicapped students of Gardner-Webb. Twenty persons were in attendance. There were twelve WMU groups from our churches who had given funds for the New Testament on tape. Each of the six Gardner-Webb students was presented his/her personal copy of the New Testament on tape.

   We were asked to provide an evening meal and program for the special orientation for blind and deaf students from Gardner-Webb College. Two of our churches responded. The Baptist Young Women of Pleasant Ridge hosted the group on August 12th with a cookout and Baptist Women of Shelby First hosted with a spaghetti supper on August 13th. There were thirty present on the first evening and thirty-tree on the second evening.

   TOTAL VOLUNTEERS: 33

5. **Duke Match Ministry** We were fortunate this year to again be the receiving agency for the Duke Match Ministry. This year Duke Power matched our giving on a three to one basis. Your response, as always, was exciting and encouraging.

   Total Received $8,488.93
   Total Matched 6,920.00
   Amount of Match 2,320.00
   Total Received Including Match 10,808.93
   Total Families Assisted with Heat Related Bills 228
   Average Assistance per Family 47.40

6. **Christmas Toy Store Ministry** Our third Annual Christmas Toy Store met with more success than the other two. Our theme again this year was "Surrounded With Love." Our volunteers did a supreme job of surrounding the parents who came to our store with beautiful and intense Christian love.

   Total Families Applied 256
   Total Families Served 251
   Total Children Served 622
   Groups/Individuals who Contributed 141
   Total Volunteers 273
   Professions of Faith 26
   Rededications 10

7. **Migrant Ministry** Our Migrant Ministry began at the Belwood Community Center and Norman's Grove Baptist Church on June 9 and continued through September 8. I am deeply grateful to Anne Cook, CSM Secretary, for her splendid work on this project, to Rev. Max Turner and the congregation at Norman's Grove for the use of their sanctuary for our worship, to Vivi and Gonzalo Penya and Evelyn Kiser of Waco Baptist Church for the excellent and faithful leadership they gave to this ministry, and to the fourteen churches who participated in the Norman's Grove-Belwood project. We had two hundred sixty volunteers who were a part of this area of ministry. Churches participating were Pleasant Grove, Carpenter's Grove, Shelby First, Union, Zion, Polkville, Norman's Grove, Fallston, Dover, New Bethel, Northside, Casar, Double Shoals and Waco.

In addition to this we had four churches who provided health care items and school items for migrant farm workers. These were Boiling Springs, Elizabeth, Shelby First and New Hope.

TOTAL VOLUNTEERS: 268

8. **Developmental Disability Ministry** We had two days camps for Mentally Retarded youth. Both of these had three MR's in attendance, with a total of fifteen volunteers. In July, the Oak Grove Baptist Church sponsored a week of Vacation Bible School. There were twelve MR's who attended. The Acteens of Oak Grove provided the leadership for the school and did an outstanding job. Total volunteers from Oak Grove were twenty-three.

   TOTAL VOLUNTEERS: 35

9. **Gleaners Ministry** The Baptist State Convention of North Carolina asked us to be one of two associations in North Carolina to pilot a Gleaners Ministry. We have begun with information sharing in the Grover/Kings Mountain Group, the Polkville Group and the Lattimore Group.

   Our major emphasis is home garden. To date six families have been assigned to some in these groups.

10. **Feed The Hungry Ministry** I have been struggling for some time in trying to find effective ways to minister to the street people, homeless, and others who have hunger needs. One way we have begun to minister to these is through a sandwich and vegetable meal at First Baptist Church of Shelby each Friday at noon. We applied for and received $2,500 from the North Carolina Hunger Fund of the Baptist State Convention, and began the ministry on September 6th. During the month of September we avereged feeding sixteen persons per week and had involvement of twenty-six volunteers.

    TOTAL VOLUNTEERS: 26

11. **Children's Clothing Ministry** On September 5 Marie Wall began direction of a ministry to take some of our excess adult clothing and recycle it into usuable children's clothing. This group meets twice each Thursday and works on this project.

    TOTAL VOLUNTEERS: 59

12. **Emergency and Relief Ministry** Jesus said in Matthew 25 — "I was hungry . . . naked, thirsty . . . stranger . . . and you ministered to me." We continue to follow our master as we minister not only to spiritual needs, but also to physical needs.

All of the above has been made possible because you care — and are dedicated to the task of touching human hurt in the name of Christ. We have accomplished much, but let us keep ever before us the uncountable numbers of those who continue to struggle in lostness and hold forth the banner of Christ's love and compassion, so that all may know of His love.

Thank you for your wonderful support to the ministries of the seventy-three churches of the Kings Mountain Baptist Association.

Robert G. Davis, CSM Director

EXECUTIVE BOARD REPORT 1985

Three regular meetings of the Executive Board were held during the past year. Our meetings were held on Monday evenings after the third Sunday during the months of January, April and July, 1985. Our church hosts for the meetings were: January — First Baptist, Grover; April — Patterson Grove; July — Putnam Memorial.

Excellent attendance occurred at each of our meetings. The first portion of each meeting provided a time of promotion of current Association programs. The second portion provided two separate sessions — program leaders met with representatives of each church; pastors and Executive Board members met to conduct the business of the Association. Each church host provided a time of fellowship and refreshments at the conclusion of the meetings.

Various committee reports were presented at each meeting, also reports of our Director of Missions and Director of Christian Social Ministries. Financial reports of the Association were presented, which included progress reports of our Association Building Payments.

Upon recommendations of a selection committee, the Executive Board approved the call of Reverend Scott Carpenter, to serve as Pastor of Christopher Road Mission.

The Executive Board approved four (4) major goals for our Association. The goals were developed by associational leaders participating in our Key Leadership Conference at Ridgecrest. The goals were adopted by our Executive Committee, and recommended to our Executive Board during our July meeting. The goals are as follows:

KINGS MOUNTAIN BAPTIST ASSOCIATION GOALS — Formed by Associational Leaders During Key Leadership Conference

1. 100 new Sunday School units in existing churches.
2. Enlist twelve (12) additional churches to pray for and support financially the effort to begin a mission on Christopher Road.
3. Enlist twelve (12) persons from our churches to visit, teach, and promote the work of the mission on Christoper Road.
4. Increase baptisms by 311 over the 1984 report or a grand total of 800 baptisms in 1986.

At each meeting new pastors having moved to serve churches in our association were presented and welcomed.

Respectfully submitted,
Jospeh E. Cabaniss
Clerk/Treasurer

SUNDAY SCHOOL REPORT

Preliminary figures based on church letters turned in by this morning and information gained by the telephone poll that last Sunday in September indicate that Sunday School enrollment will be about 16,800 as opposed to the 16,354 reported last year. Average attendance will be about 9,325, up 234 over last years 9,091.

Because of the 8.5 by '85 campaigns closing with a high attendance effort the last Sunday in September, we had two high attendance days observed in the 1984-85 church year. On the traditional High Attendance Day, the last Sunday in October of 1984, we had 10,924 attending Sunday School in KMBA churches. On High Attendance Day as observed by most of our churches on the last Sunday in September, there were 10,339 present.

Rev. Robbie Moore led the Vacation Bible School Clinic at Elizabeth Church on April 23, 1985. This was a well attended and lauded event.

Rev. Ken Cobb, Sunday School Outreach Director, was involved in the summer training in prospect discovery for the Good News America Campaign.

Denise Smith organized the Sunday School Workers Training Conference held this year at Boiling Springs Baptist. There were 176 participants registered from 27 churches.

The associational Sunday School organization is now called the ASSIST Team. This stands for Associational Sunday School Improvement Support Team. Your ASSIST Team led individual and group conferences in more than ten churches in our association. Your ASSIST Team always stands ready to give assistance to churches in their Bible teaching and outreach programs.

CHURCH TRAINING REPORT

Church Training is the organization assigned the task of helping church members, new church members, and church leaders grow in their Christian discipleship. To accomplish this task a variety of resources is available. Dated periodicals, Equipping Center Modules, Baptist Doctrine Study, **The Survival Kit for New Christians**, and Disciplelife Celebration are all designed to help Christians grow and to equip them for ministry.

Many of our churches have used these resources with excellent results during the past year. MasterLife has continued to be used to teach people the basic disciplines of abiding in Christ, living in the Word, praying in faith, and witnessing. New member training was offered to help new Christians understand the nature of salvation and to guide them in their Christian pilgrimage. The dated periodicals have been used to teach the theme for 1985; Bringing Together Evangelism and Missions.

Enrollment in Church Training increased again this year. It is obvious that the churches in our association are realizing that Church Training is a vital part of the total ministry of the church.

Below is a summary of events involving our associational Church Training program.

(1) The Associational Church Training Director attended the Key Leadership Conference at Ridgecrest.
(2) MasterLife training was provided for pastors and their wives by Rev. Larry Morris.
(3) A Bible Drill Worker's Workshop was held at the Associational Office on October 29th with a total of 19 in attendance.
(4) Seven churches participated in the Associational Bible Drill. There were 27 children and 5 youth. All 27 of the children and 4 of the youth were State Bible Drill winners.
(5) Ruth Prince, a consultant in Church Training with the Baptist State Convention, was the featured speaker at the Executive Board meeting in January.
(6) Several churches were assisted with their local Church Training programs.

I commend you for the good work you are doing. May we continue the important task of equipping disciples through Church Training.

Respectfully submitted,
Bruce E. Hancock
Church Training Director

WMU REPORT

Our 1984-85 theme "By Love Compelled" moved us this year to show our love in action as our watchword from 1 John 3:18 stated.

Fall Leadership Conference for all age levels was held September 16, 1984 at Second Baptist Church in Shelby. This was well attended and received.

We met with Union Baptist for our Annual Spring Meeting on April 9, 1985. We shared with Union in their 100th year celebration and gave emphasis to our coming centennial year with a "Centennial Fashion Parade." We enjoyed our own Bill and Audrey Roberson missionaries to the Phillippines as our guest. We were priviledged to have Bobbie Sorrill preview her book, "Annie Armstrong-Dreamer In Action" at Pleasant Ridge on February 12, 1985.

Baptist Women honored the MK Internationals from Gardner-Webb College at a banquet on October 6, 1984 at Westview Baptist Church.

A Baptist Women's Prayer Retreat with "The Witnessing Handicaps" as a theme was held at Elizabeth Baptist Church on August 13, 1985 with women who are serving in spite of handicaps leading this meeting. A second MK International Banquet was held September 23, 1985 at Elizabeth Baptist Church. Issae Mwase, Gardner-Webb Student from Zimbabwe, was our guest speaker.

In January of 1985, a Baptist Young Women's Presidents Breakfast for enlistment training was held. A BYW Prayer Retreat was held on May 25 at Cowpens, South Carolina at the Peniel Prayer Center with Miss Ollie McCarthy as guest. On August 10, 1985, a BYW Couples Mission Bar-B-Q was held at Westview Baptist. Three couples who have been involved in mission projects shared their experiences. Two new BYW's were started: Double Springs and Ross Grove.

Acteens had a hot dog snack supper at the Baptist Center in November 1984. Bob Davis

shared his work as Social Ministries Director giving the Acteens ways that they could be involved. A lock-in was held in January 1985 at Shelby First. "Friends are for Helping" was taught by Daphene Roberts. Seven Acteens and Mrs. Dorothy Young, Associational Acteen Director, participated in different beach mission activities at Surf City, N.C. July 12-19, 1985. The girls completed 50 hours training and raised about $850 to help make the trip possible. All were blessed in the effort.

Two new Acteen groups were started: Piedmont and Westover.

Girls in Action leaders and members have been busy most every month this year. Some highlights are: December 8, 1984 meeting at Pleasant Grove with Audrey Roberson, missionary to the Philippines, as guest speaker; G.A. Camp June 17-21 at Gardner-Webb College; May 25 G.A. Day Camp at Double Springs; September 28, 1985 G.A. Day Camp at Zion, and one new GA group was started at Piedmont.

The Associational WMU Council had the privilege of assisting the churches in beginning in new work and helping strengthen existing work.

Our WMU was recognized as Distinguished for the Year 1984-85. We appreciate the support and help of the association.

Lela Bell Washburn

MUSIC REPORT

Music is a universal language, and one that we all understand. Through music we can express our praise to God in a most worthy manner.

Every church in the Kings Mountain Baptist Association has a music ministry. There are dedicated leaders in each church, and a goal of the Associational leadership is to be of service when needed.

A Choral workshop was held September 23, 24 at First Baptist Church in Shelby with Rev. Bob Dills leading. It was well-attended. A packet of music was available. Broadman Music supplied complimentary copies of *Glory Songs.*

A word of commendation is due to those who lead in each church, most of them unpaid volunteers. These committed people give of their time and talents to the wonderful task of leading all the people in singing praises to God.

If you have a need, the music leadership of the association will help when possible.

EVANGELISM REPORT

The Executive Committee of the Kings Mountain Baptist Association voted in June of 1984 to participate in Good News America God Loves You Simultaneous Revival for 1986. As of today we have (61) churches which are involved. The revival will be held from April 6 through 13, 1986. I am excited about the response which we are having. Churches are now conducting a PEOPLE SEARCH in an effort to secure prospective families. Each church will need to find these prospects and cultivate them until the revival time next spring. An associational rally is planned for January 27, 1986 at First Baptist Church, Shelby with Dr. Alastair Walker of First Baptist Church, Spartanburg as the speaker. Music will be provided by the Don Balltzglier Family. A training session will be held prior to the inspirational rally.

I trust every church is ready to go and reach our goal of **800** baptisms for the church year of 1985-86.

HISTORIANS REPORT

Where did I come from?

Little Johnny asked his mother this question, and she took the next 30 minutes telling him about the birds and the bees, and even about the little basket under her heart.

"That's not what I mean, Ma," he said. "Eddie came from Charlotte; Bob came from Winston-Salem and Joe came from Lattimore. Where did I come from before I came here?

Have you ever wondered where the Kings Mountain Baptist Association came from . . . with all its 73 wonderful New Testament churches?

We came from ancient times and distant places. Early followers of Jesus were Baptists, though for centuries they were simply called Christians . . . first at Antioch. John who baptized Jesus in the Jordan River, was widely known as "the Baptist", or "the Baptizer".

Then as the years rolled by Christians such as Paul and Silas, Luke and Mark, Peter and

many others took the Gospel to Antioch in Syria, then to Rome; later new Christians spread over the whole of the European continent, including England, Scotland, Ireland and Wales; then to the United States with the Jamestown colony in 1607, to Massachusetts in 1621 as the Puritans sought religious liberty; then as they denied that same liberty to some, Roger Williams, a Baptist, founded Providence and Rhode Island.

Eventually Baptists came to North Carolina, the first church being Shiloh in Camden County in 1727. Kehuckee in Halifax County was constituted in 1732.

The Philadelphia Baptist Association was organized in 1707 and the Charleston (S.C.) Association in 1751, and both these great associations were wellsprings of missionary zeal and activity for many years. Sandy Creek, near Burlington and Jersey in the Liberty Association near Lexington were organized in 1755. Dr. Garland Hendricks of Gardner-Webb College wrote a history of the Jersey Settlement and church some time ago, and he and I were privileged to attend the 230th anniversary celebration there last month. Just think, these churches are nearly 100 years older than our own Kings Mountain Association!

The Broad River Association was formed in 1830, with pioneer preachers from both Charleston and Sandy Creek and Jersey leading the way. This was the same year the North Carolina Baptist State Convention was organized. Later there was a Western Convention, since travel and communication with the East was difficult, but when roads and railroads were built, Baptists went back to just one convention.

Some of the earliest Baptist leaders who influenced the very beginnings of Baptists life in this region were William Screven who founded the First Baptist Church of Charleston in 1685; William Sojourner at Kehuckee in 1740; Shubal Stearns at Sandy Creek and John Gane at Jersey in 1755.

Nearly all the Associations in North Carolina, and many of the churches are named for rivers, creeks, bridges, hills, springs, animals, valleys, trees, Bible places, Indians or natural geographical landmarks. For instance our forefathers got on high ground in this area and could see the Blue Ridge, South Mountains, Ben's Knob, Carpenter's Knob, Kings Mountain, Whitaker's Mountain, and Thickety Mountain and Cherry Mountain. The Classical profile of Old Kings Mountain, with its Revolutionary War connection and fame, was chosen. And I am glad.

In 1851, 13 churches withdrew from the Broad River Association, in session at Sandy Run, to form Kings Mountain Association which met later in the year at Double Springs. Eight of those churches are still with us: Zion, New Bethel, Boiling Springs, Mt. Sinai, Beaver Dam, Pleasant Hill, Zoar, and Double Springs. The five which joined other bodies: Buffalo, Sandy Run, the two oldest in the area; Bethel at Ellenboro, Mt. Pleasant, and First Broad.

Again, where did we come from? From ancient times and distant places. From Europe, New England, Pennsylvania and Virginia and South Carolina; but also from poverty, prejudice, privation, persecution, piety and occasionally plenty. We have come from ignorance and education, from trial and error, from other denominations, from primitives and pagans, and from some who had no religion at all.

Where do we go from here? If anyone asks where you came from, tell them "the stork" or "the doctor's little black bag", or tell them the truth. If they ask where the association came from, tell them what I just told you!

LIBRARIAN'S REPORT

A church media/library can help every church officer perform his job better. A church media/library can help every church program reach its goal faster and more successfully. A church media/library can help make the programs of every church organization more interesting. A church media/library can provide materials to enrich the lives of every church member. But these great things can happen **only** if the members use their library; and if the librarian tries to supply the supplementary materials needed by the officers, teachers, leaders, organizations and members; and if the church sets aside enough funds for purchasing those materials.

Thirty-nine churches of the Kings Mountain Baptist Association reported electing librarians this year. Some of the librarians have a place to house books, audio-visual materials and equipment. Others have no space. Fallston Baptist Church moved into its new library this year. It is right in the middle of the church, where its very location encourages people to use it. More librarians than ever before report that they have joined the Broadman Readers Plan. That means that they receive at least three new books each quarter — one doctrinal and two inspirational — published by Broadman. A church member reading all twelve books would better understand four Baptist doctrines and would have eight uplifting experiences in reading.

The church librarians have met each quarter to discuss problems in their own libraries and make plans for library improvement. Their next meeting is November 12 to plan their libraries for the new year.

The Associational Library has begun purchasing sound filmstrips and other audio-visuals. These as well as the books and materials already in the library are for lending to the churches and church personnel of the association. We hope the new items will be especially attractive for use with the youth — maybe for church lock-ins or summer youth programs. Resources in your Associational Library are for the use of the churches to enrich the church programs.

MEMBERSHIP COMMITTEE REPORT

The number of churches belonging to the Kings Mountain Baptist Association remain at seventy-three. Our committee has not been called upon during the past year to reccomend a church to you for your consideration of their membership in our association. We do rejoice to know that there are some active missions within the associational district that likely will grow into churches and become a part of our fellowship. Our committee stands ready to assist in any way we can when there is a church seeking membership in the association.

MEMORIALS REPORT

Sir James Barrie said that God gave us memory so that we might have roses in December. And the memories are dear indeed which this group today, meeting in the 135th session, hold for many of our friends who have entered the unseen world since we last met.

We, therefore, pause today before we leave for our homes and responsibilities in grateful and loving memory of the retired pastor, the Rev. Guy Cabaniss, 16 deacons and 241 others who have died in the last twelve months. So, will you please join with me for a few moments in memory and in appreciation of these who have finished their course and whom we believe fought a good fight and kept the faith.

I read these immortal words of Jesus, our Lord, and of the apostle Paul for our encouragement and comfort: "Let not your heart be troubled: ye believe in God, believe also in me. In my Fathers house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also." John 14:1-3.

"For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens. I Corinthains 5:1.

And also from the poet, Ella Wheeler Wilcox, from "The Beyond", which is a great testimony of our faith: "It seemeth such a little way to me, across to the strange country, The Beyond; and yet, not strange, for it has grown to be the home of those of whom I am so fond; they make it seem familiar and most dear, as journeying friends bring distant countries near. So close it lies that when my sight is clear I think I almost see the gleaming strand; I know, I feel, that those who've gone from here come near enough sometimes to touch my hand; I think often, but for our veiled eyes, we should find heaven right about us lies. And so for me there is no sting to death, and so the grave has lost its victory; it is but crossing with abated breath and white, set face, a little strip of sea, to find the loved ones waiting on the shore, more beautiful, more precious than before."

ORDINATION COMMITTEE REPORT

The committee this past year was composed of the following members: Rev. Marion Adams, Rev. Dave Gordon, Rev. John Bridges, Rev. Bob Cline, and Rev. Glenn Walker, chairman.

This past year we met once for the purpose of organization and twice at the request of churches for the purpose of examining candidates for ordination.

On June 23, 1985 the committee met at the request of Lily Memorial to examine Mr. Timothy Elder. After questioning Mr. Elder the committee recommended that he be ordained. He was called to Poplar Springs Baptist Church, Moore, South Carolina.

On August 27, 1985 the committee met at the request of Calvary Baptist Church to examine Mr. Jerry Hubbard. After a period of questioning Mr. Hubbard was recommended for ordination. He was called to be the pastor of Corinth Baptist Church in Casar, North Carolina.

Glenn Walker

SEMINARY EXTENSION REPORT

Seminary Extension brings ministry education close to home for all of us in the Kings Mountain Baptist Association. During 1984-1985, a total of fifty-two persons enrolled in one or more courses offered through two of our three Seminary Extension Centers.

The centers offered four courses, including Evangelism, Church History and two courses in New Testament survey. Classes met weekly at the Baptist Center on Wyke Road and at the Shiloh Baptist Church in Shelby.

Three Diplomas were awarded to men from the Ebenezer Association marking the highlight of this years work.

Plans for the coming year include four new courses, and the possible addition of a fourth study center in the upper Cleveland County area.

Kings Mountain Baptist Association is among some 300 Baptist associations working with the Seminary Extension Department of the Southern Baptist Seminaries to co-sponsor local ministry training centers for its people.

STRATEGY PLANNING COMMITTEE REPORT

The Strategy Planning Committee is your "dream committee." You have assigned us the responsibility of looking at our present ministries and "dream" of how we can, under our Lord's leading, take that which is already great, and make it greater. We have held several meetings throughout the 1984-85 year to do just that. We have done some evaluation of present activities, but primarily we have looked at currently unmet needs and sought God's mind as to how we could meet these in the future.

Needs we believe that our association should be addressing are: 1) A seasonal ministry at the Cleveland Mall. 2) A ministry to the students at Cleveland Tech. 3) Utilization of the talents and witness of the members of the Fellowship of Christian Athletes in our churches. 4) A van to be used in the various outreach ministries of our association. 5) An additional

member of the associational staff to serve as a Church Development Specialist. 6) Encourage churches to provide better retirement coverage for pastors and staff members. 7) Encourage our various organizational leaders to better utilize the time given them at the quarterly Executive Board meetings. 8) Encourage the Evangelism Committee, after the Good News, America Campaign, to start planning another association-wide evangelistic effort.

What do we propose to do about our dreams? First, we want you to begin to dream along with us. We want you to join us in prayer until we are dreaming as one-not just "one" with each other but one with God. Secondly, we desire your input. We need to hear from you about your dreams as well as how to faciliate these ideas we already have. In the third place we are assigning these ideas to various committees, organizations and individuals for further study and implementation. Finally, we plan to conclude where we started and have tried to remain. We intend to bring everything to God in prayer that we might know His will and be empowered by His Holy Spirit to do it.

While all these ideas are important and need, in the judgment of this committee, to be acted upon, there are two that we feel need further explanation. They are items 5 and 6 above. Item 5 is long-range, but item 6 is of immediate concern.

What do we mean when we speak of church development specialist? We are thinking of someone who could work with the organizational leaders and their organizations on the associational level helping them sharpen their skills, but more importantly be available to local churches to assist them in developing their local church educational, discipling or administrative program and ministries. This would be especially helpful to churches that are unable to call an additional staff member, yet it desires to improve in one or more of the above areas.

To aid churches in planning adequate retirement and insurance covereage for their staff members, we are scheduling a seminar for pastors, staff, and key laymen from each church. This is to be done through the associational SBC Annuity Board representative. The date and place for this will be announced at a later date.

Again, come pray and dream with us. The writer of Proverbs states "Where there is no vision, the people perish." Let us seek and find our Lord's vision for us.

Jesse Bailey, Chairman
